

DIVISION OF HEALTH SCIENCE & NURSING

# ASSOCIATE DEGREE IN NURSING (RN)

## Generic ADN

The Associate Degree Nursing Program is a two-year program designed to prepare students for employment as a Registered Nurse, providing direct care to patients. Graduates receive an Associate of Science Degree in Nursing. The program is accredited by the California State Board of Registered Nursing. Students who complete the curriculum are qualified to take the examination leading to licensure as a Registered Nurse.

For more information regarding selection and application process, refer to the Rio Hondo College website.
