### Math Excellence Workshops

Math Excellence Workshops provide an opportunity for students to master course material with the help of a facilitator. Students will be actively challenged in each session to work together to solve problems. The topics covered will foster debate on key elements that have historically given students difficulty and impeded the learning process. These workshops are designed as an enhancement not a supplement to lecture. You may call or visit the Math & Science Center for more information.

Visit the MSC webpage to make an appointment

### How do you get to Pisces?

1.) Log-in to Canvas, Go to your Math course

2.) Scroll down click on Pisces.

3.) Under “Group Study Room” locate the Words “MSC Workshops”, then click to enter the room.

Facilitator will provide you the worksheet and review the material with you!

### Find us online in Canvas on Pisces

- **Week 10**  4/26 - 5/1
  - Recognize Binomial or Normal Dist.
  - Confidence Intervals
- **Week 11**  4/13 - 4/19
  - Confidence Intervals
  - Recognizing types of Confidence Intervals
- **Week 12**  4/20 - 4/25
  - Recognizing types of Confidence Intervals
  - Hypothesis Testing I
- **Week 13**  4/27 - 5/2
  - Hypothesis Testing I
  - Hypothesis Test II
- **Week 14**  5/4 - 5/9
  - Hypothesis Test II
  - Recognizing types of Hypothesis Test
- **Week 15**  5/11 - 5/16
  - Recognizing types of Hypothesis Test
  - 2 - Sample Hypothesis Testing
