- I. Matriculation is a process that brings a college student and the District into an agreement for the purpose of realizing the student's educational objective through the District's established programs, policies, and requirements. The agreement is implemented by means of the student educational plan.
- II. Each student, in entering into an educational plan, will do all of the following:
 - A. Express at least a broad educational intent upon admission
 - B. Declare a specific goal no later than the term after which the student completes 15 semester units of degree applicable credit coursework
 - C. Diligently attend class and complete assigned coursework
 - D. Complete courses and maintain progress toward an educational goal
 - E. Cooperate in the development of the student educational plan
- III. Matriculation services include, but are not limited to, all of the following:
 - A. Processing of the application for admission
 - B. Orientation and pre-orientation services designed to provide to students, on a timely basis, information concerning campus procedures, academic expectations, financial assistance, and any other appropriate matters as determined by the college
 - C. Assessment and counseling upon enrollment, which shall include, but not be limited to, all of the following:
 - D. Administration of assessment instruments to determine student competency in computational and language skills
 - E. Assistance to students in the identification of aptitudes, interests and educational objectives, including, but not limited to, associate of arts degrees, transfer for baccalaureate degrees, and vocational certificates and licenses
 - F. Evaluation of student study and learning skills
 - G. Referral to specialized support services as needed, including, but not limited to, federal, state, and local financial assistance; health services; campus employment placement services; extended opportunity programs and services; campus child care services; programs that teach English as a second language; and disabled student services
