- I. The District shall admit students who meet one of the following requirements and who are capable of benefitting from the instruction offered:
- A. Any person over the age of 18 and possessing a high school diploma or its equivalent.
 - B. Other persons who are over the age of 18 years and who, in the judgment of the Superintendent/President, or his or her designee, are capable of benefitting from the instruction offered. Such persons shall be admitted as provisional students and thereafter shall be required to comply with the District's rules and regulations regarding scholastic achievement and other standards to be met by provisional or probationary students as a condition to being readmitted in any succeeding semester.
 - C. Persons who are apprentices as defined in Section 3077 of the Labor Code.
 - D. The District may deny or place conditions on a student's enrollment upon finding that the applicant has been expelled within the preceding five years or is undergoing expulsion procedures in another California community college district, and that the applicant continues to present a danger to the physical safety of the students and employees of the District.
 - E. The District shall at its discretion, or as otherwise federally mandated, evaluate the validity of a student's high school completion. The Superintendent/President or designee, shall establish procedures for evaluating the validity of a student's high school completion.
- II. Admission
- A. Any student whose age or class level is equal to grades 9-12 is eligible to attend as a special part-time student for advanced scholastic or vocational courses.
 - B. Any student whose age or class level is equal to grades 9-12 is eligible to attend as a special full-time student.
 - C. Any student enrolled in 9-12 may attend summer session.

Students younger than 9th grade may be admitted if they meet the exceptional student criteria (highly gifted students with an IQ score above 130). These students may only enroll in college level courses (degree applicable courses), must meet prerequisites, and must show documentation of their gifted status and proof of IQ.

The Superintendent/President, or designee, shall establish procedures regarding ability to benefit and admission of high school and younger students.

III. Denial of Requests for Admission

If the Board of Trustees denies a request for special full-time or part-time enrollment by a pupil who is identified as highly gifted, the Board will record its findings and the reason for denying the request in writing within 60 days.

The written recommendation and denial shall be issued at the next regularly scheduled Board meeting that occurs at least 30 days after the pupil submits the request to the District.

The Superintendent/President, or designee, shall establish procedures regarding evaluation of requests for special full-time or part-time enrollment by a pupil who is identified as highly gifted.

IV. Claims for State Apportionment for Concurrent Enrollment

Claims for state apportionment submitted by the District based on enrollment of high school pupils shall satisfy the criteria established by statute and any applicable regulations of the Board of Governors.

The Superintendent/President or designee shall establish procedures regarding compliance with statutory and/or regulatory criteria for concurrent enrollment.
