This policy is legally required.

I. Introduction

A. The Rio Hondo Community College District Board delegates to the Superintendent/President or designee the authority to enter into contracts on behalf of the District and establish administrative procedures for contract awards and management, subject to the following:

1. Contracts are not enforceable obligations until they are ratified by the Board.

2. Contracts for work to be done, services to be performed, or for goods, equipment, or supplies to be furnished or sold to the District that exceed the amounts specified in Public Contract Code Section 20651 shall require prior approval by the Board.

3. When bids are required according to Public Contracts Code Section 20651, the Board shall award each such contract to the lowest responsible bidder who meets the specifications published by the District and who shall give such security as the Board requires, or reject all bids.

4. When the District determines that, according to Public Contract Code Section 20651.7, it can expect long-term savings through the use of life-cycle cost methodology, the use of more sustainable goods and materials, and reduced administrative costs, the District may select and award the contract based on best value in accordance with AP 6340. The bidder shall give such security as the Board requires and may reject all bids.

5. When the Superintendent/President, in consultation with the Vice President, Finance & Business, determines that the District can obtain a contract for goods or services through the California Community Colleges Chancellor’s Office CollegeBuys Program for the Procurement of Goods and Services for Community College Districts at a lower price upon the same terms, conditions and specifications, the Vice President, Finance & Business may proceed with the contract without conducting a formal bidding process.

B. If the Superintendent/President concludes that the best interests of the District will be served by prequalification of bidders in accordance with Public Contract Code Section 20651.5, pre-qualification may be conducted in accordance with procedures that provide for a uniform system of rating on the basis of a questionnaire and financial statements.
C. If the best interests of the District will be served by a contract, lease, requisition or purchase order through any other public corporation or agency in accordance with Public Contract Code Section 20652, the Superintendent/President is authorized to proceed with a contract.

II. Vendor Diversity Plan

The District commits to achieving diversity, equity, inclusion, and accessibility with regard to its vendors. The Board delegates to the Superintendent/President the authority to create a Vendor Diversity Plan to increase diversity, equity, inclusion, and accessibility in the District's vendors.
