

2017-2018
Board of Trustee Goals

- I. The Board will strengthen and enhance the college's commitment to a campus culture that integrates equity, diversity, and inclusivity at all levels in an effort to close the achievement gap among disproportionately impacted student populations.
- II. The Board will work with staff to create an updated self-evaluation method for the Board of Trustees.
- III. The Board will actively engage with student leadership.
- IV. The Board will implement integrated training and mentorship for the Student Trustee upon election.
- V. The Board will continue its yearly review of its roles and responsibilities in areas such as accreditation, board policies, protocols, professional development, and budget.
- VI. The board will spark an ongoing and meaningful college-wide conversation about the definition of effectiveness.
- VII. The Board will participate in the college's institutional planning process with the long-term goal of integrating the Board and Institutional Goals.
