INSTITUTIONAL CODE OF ETHICS

Board Adopted: 9/10/14 (Board approved Code of Ethics Statement on 8/12/09)

Note: The Accreditation Standard requires districts to uphold a written code of professional ethics for all of its personnel.

I. The employees of Rio Hondo Community College District are committed to providing a high quality learning environment to help our students successfully achieve their educational goals and objectives. Accordingly, employees have an interest and commitment to ethical behavior. Ethical persons are those who abide by principles and exemplify virtues as understood within a given moral framework. Many believe that virtue is intrinsically rewarding. At the very least, that one be perceived as ethical is instrumental in establishing credibility and trust.

II. To support Rio Hondo's* commitment to ethical behavior*, college employees adhere to standards of ethical and professional behavior related to their duties, and have responsibilities to the institution and to individuals they serve. Although one cannot "legislate morality" in the sense of mandating virtuous intentions, we can, and do, establish general expectations of conduct.

III. There are many sources of ethical* inspiration and guidance. All employees of Rio Hondo College are subject to official College policies and procedures; applicable regulatory agency requirements; local, state, and federal laws; and professional standards (when applicable). This includes policies such as the Rio Hondo College Policy on Sexual Harassment (BP 3430), its Policy on Nondiscrimination (BP 3410), and its Policy on Academic Freedom (BP 4030).

IV. In addition, the Board of Trustees is subject to its own Code of Ethics (BP 2715), and most of our employees are members of professional organizations with their own established codes of ethics, such as the CTA, CSEA, and ACCCA. Employees are encouraged to consult their own organizations, when applicable, for further guidance. As constituents of Rio Hondo College, students are likewise encouraged to maintain high Standards of Conduct (BP 5500).

V. As a further demonstration of commitment to high ethical standards, employees of Rio Hondo College aspire to be guided by the following values statements. These are guidelines and aspirations to be used for educational and not disciplinary purposes, with our own conscience as the first and most salient means of evaluation:

- *The College values open communication, honesty, and truthfulness, and aspires to an "open door" philosophy.*
- *The College values open inquiry and honors academic freedom.*
- *The College strives to protect human dignity and individual freedom.*
- *The College values clear roles and responsibilities, teamwork, and cooperation (as outlined in AB1725), and therefore aspires to develop a climate of trust and mutual support.*
- *The College is committed to providing excellent educational opportunities to the community, and the instructional faculty seeks to evaluate students by honest appraisal of student performance against faculty standards.*
I. The Rio Hondo College Board of Trustees believes that the College should be engaged in ongoing planning to achieve its mission.

II. Through the planning process, the College frames questions, seeks answers, analyzes itself, and revises its goals, objectives, programs, and services. The planning process assists in identifying institutional directions, as well as priorities and strategies; it also influences the acquisition and allocation of resources.

III. The Superintendent/President shall ensure that the District maintains and implements a broad-based, comprehensive, systematic, and integrated system of planning that is supported by institutional effectiveness research. The process must serve the full-range of College constituencies, both internal and external, for both now and the future.

IV. The Superintendent/President shall inform the Board about the status of the college planning process and the various plans.

V. The planning system shall include plans required by law, including, but not limited to:

- Long Range Educational Master Plan
- Facilities & Resource Plan
- Technology Plan
- Equal Employment Opportunity Plan
- Student Equity Plan
- Student Success and Support Program Plan
- Transfer Center Plan
- EOP&S/C.A.R.E. Plan
- Cooperative Work Experience Plan

The Superintendent/President shall submit to the Board those plans for which Board approval is required by Title 5.

VI. The Superintendent/President shall ensure the Board has an opportunity to assist in developing the general institutional mission and goals for the comprehensive plans.

See Administrative Procedure 3250.
I. To enforce smoking and tobacco control regulations and procedures, the Superintendent/President is authorized to:

- Set enforcement standards for all District sites and campuses;
- Impose a fine for a first, second, and third offense and for each subsequent offense. The amount of fines is to be determined by the Board and cannot exceed one hundred dollars ($100);

TBD: To Be Determined

Rio Hondo Community College District
Board of Trustees Regular Meeting
Note: This procedure is legally required. Local practice may be inserted, but should conform to the following general principles.

I. Members of the public may request to inspect or copy public records. A request by a member of the public may be delivered by mail or in person to the Office of the Superintendent/President and/or Office of the Vice Presidents.

II. Any request shall identify with reasonable specificity the records that are sought. If additional information is needed, the Executive Assistant to the Superintendent/President may request it be provided in writing.

III. Any request to inspect records shall be made sufficiently in advance of the date of inspection to allow staff time to assemble the records and identify any records that may be exempt from disclosure.

IV. Records that are exempt from disclosure under the Public Records Act or any other provision of law may not be inspected or copied by members of the public. Social security numbers must be redacted from records before they are disclosed to the public.

V. Members of the public shall be assisted in identifying records or information that may respond to their request. Assistance that will be provided includes: the information technology and physical location in which the records exist; practical suggestions for overcoming denial of access to the records or information; and the estimated date and time when the records will be made available.

VI. Within ten days, the Office of the President and/or Office of the Vice Presidents will determine whether or not the records can be produced and will communicate the determination to the member of the public requesting the record(s).

Note: The Public Records Act presumes that all records of a public agency are public, unless specifically exempted by law. There are now well over a hundred exemptions contained in California law, although most will never apply to a community college district. (See Government Code Sections 6254 et seq. and 6275 et seq.) Any questions about whether a document is exempt should be referred to counsel.

VII. The most common exemptions for community colleges include:
- Student records (Education Code Section 76243)
- Preliminary drafts, notes, or interagency or intra-agency memoranda that are not retained by the public agency in the ordinary course of
business, provided that the public interest in withholding the records clearly outweighs the public interest in disclosure. (Government Code Section 6254(a))

- Records pertaining to pending litigation ...or to claims...until the pending litigation or claim has been finally adjudicated or otherwise settled. (Government Code Section 6254(b))

- Personnel, medical or similar files, the disclosure of which would constitute an unwarranted invasion of personal privacy (Government Code Section 6254(c))

- Test questions, scoring keys, and other examination data used to administer a licensing examination, examination for employment, or academic examination [except for standardized tests provided for by Education Code Sections 99150 et seq.]. (Government Code Section 6254(g).)

- The contents of real estate appraisals or engineering or feasibility estimates and evaluations...relative to the acquisition of property, or to prospective public supply and construction contracts, until all of the property has been acquired or all of the contract agreement obtained. (Government Code Section 6254(h)).

- Internet posting of home address or telephone numbers of local elected officials (Government Code Section 6254.21)

- Home addresses and home telephone number of employees of a school District or county office of education (other than to an agent or family member of the employee, to an officer of another school District when necessary, to an employee organization, or to an agency or employee of a health benefit plan.) (Government Code Section 6254.3)

- Personal email addresses (other than to an agent or family member of the employee, to an officer of another school district when necessary, to an employee organization, or to an agency or employee of a health benefit plan) unless the email address is used by the employee to conduct public business, or necessary to identify a person in an otherwise disclosable communication. (Government Code Section 6254.3(b))

- Records regarding alternative investments (i.e. an investment in a private equity fund, venture fund, hedge fund, or absolute return fund; limited partnership, limited liability company or similar legal structure) involving public investment funds, unless already publicly released by the keeper of the information.

- Information security records, if disclosure of that record would reveal vulnerabilities to, or otherwise increase the potential for an attack on, the District's information technology system

- Identification number, alphanumeric character, or other unique identifying code that a district uses to identify a vendor or contractor, or an affiliate of a vendor or contractor, unless the
identification number, alphanumerical character, or other unique identifying code is used in a public bidding or an audit involving the public agency (Government Code Section 6254.33)

I. Complaints

The law prohibits coworkers, supervisors, managers, and third parties with whom an employee comes into contact from engaging in harassment, discrimination, or retaliation. Any person who has suffered harassment, discrimination, or retaliation may file a formal or informal complaint of harassment, discrimination, or retaliation.

A formal complaint is a written and signed statement filed with the District or the State Chancellor’s Office that alleges harassment, discrimination, or retaliation in violation of the District’s Board Policies, Administrative Procedures or in violation of state or federal law. An informal complaint is any of the following: 1) An unwritten allegation of harassment, discrimination, or retaliation; 2) a written allegation of harassment, discrimination, or retaliation that falls outside the timeline for a formal complaint; or 3) a written complaint alleging harassment, discrimination, or retaliation filed by an individual who expressly indicates that he or she does not want to file a formal complaint.

A. Informal Complaints

Any person may submit an informal complaint to the District Compliance Officer (Executive Director of Human Resources), or any other District or college administrator. Administrators receiving an informal complaint shall immediately notify the Executive Director of Human Resources/District Compliance Officer in writing of all pertinent information and facts alleged in the informal complaint.

Upon receipt of an informal complaint, the Executive Director of Human Resources/District Compliance Officer will notify the person bringing the informal complaint of his/her right to file a formal complaint, if the incident falls within the timeline for a formal complaint, and explain the procedure for doing so. The complainant may later decide to file a formal complaint, if within the timelines to do so. If the individual chooses not to file a formal complaint, or if the alleged conduct falls outside the timeline to file a formal complaint, the Executive Director of Human Resources/District Compliance Officer shall consider the allegations contained in the informal complaint and determine the appropriate course of action. This may include efforts to informally resolve the matter, or a fact-finding investigation.

Investigation of an informal complaint will be appropriate if the Executive Director of Human Resources/District Compliance Officer determines that the allegation(s), if proven true, would constitute a violation of the District policy prohibiting harassment, discrimination, or retaliation. The Executive Director of Human Resources/District Compliance Officer will explain to any individual bringing an informal complaint that the Executive Director of Human Resources/District Compliance Officer may decide to initiate an investigation, even if the individual does not wish the Executive Director of Human Resources/District Compliance Officer to take any further action.
Resources/District Compliance Officer to do so. The Executive Director of Human Resources/District Compliance Officer shall not disregard any allegations of harassment, discrimination, or retaliation solely on the basis that the alleged conduct falls outside the deadline to file a formal complaint.

B. Formal Complaints

Formal Complaints must be filed with the State Chancellor or the Executive Director of Human Resources/District Compliance Officer unless the party submitting the Formal Complaint alleges discrimination, harassment, or retaliation against the responsible district officer, in which case it should be submitted directly to the Superintendent/President or the State Chancellor.

Formal Complaints should be submitted on the form prescribed by the State Chancellor. A copy of the form will be available at the offices of the Executive Director of Human Resources/District Compliance Officer, and online.

If any party submits a written allegation of harassment, discrimination, or retaliation not on the form described above, the District will seek to have the individual complete and submit the form. However, if the individual chooses not to do so, the District will attach the written allegation(s) to the form and treat it as a Formal Complaint. In no instance will the District reject a written allegation of harassment, discrimination, or retaliation on the basis that it was not submitted on the proper form.

A Formal Complaint must meet each of the following criteria:

- It must allege facts with enough specificity to show that the allegations, if true, would constitute a violation of District policies or procedures prohibiting discrimination, harassment, or retaliation;

- The complainant must sign and date the Formal Complaint;

- The complainant must file any Formal Complaint not involving employment within one year of the date of the alleged discriminatory, harassing, or retaliatory conduct or within one year of the date on which the complainant knew or should have known of the facts underlying the allegation(s) of discrimination, harassment, or retaliation.

- The complainant must file any Formal Complaint alleging discrimination, harassment, or retaliation in employment within 180 days of the date of the alleged discriminatory, harassing, or retaliatory conduct, except that this period shall extended by no more than 90 days following the expiration of the 180 days if the
complainant first obtained knowledge of the facts of the alleged violation after the expiration of the 180 days.

If the Formal Complaint does not meet the requirements set forth above, the Executive Director of Human Resources/District Compliance Officer will promptly return it to the complainant and specify the defect. If the sole defect is that the Formal Complaint was filed outside the applicable prescribed timeline, the Executive Director of Human Resources/District Compliance Officer will handle the matter as an informal complaint.

Purpose

Rio Hondo Community College District is to provide an educational and employment environment in which no person shall be unlawfully denied full and equal access to, the benefits of, or be unlawfully subjected to discrimination, in whole or in part, on the basis of national origin, religion, age, gender, gender identity, gender expression, race or ethnicity, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, military and veterans status, or because he/she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics, in any program or activity. Such discrimination is prohibited by California Government Code sections 11135 through 11139.5, the Sex Equity in Education Act (Ed. Code, § 66250 et seq.), Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d), Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681), section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), section 508 of the Rehabilitation Act of 1973 (29 U.S.C. § 794d), the Americans with Disabilities Act of 1990 (42 U.S.C. §§ 12100 et seq.) and/or the Age Discrimination Act (42 U.S.C. § 6101).

Rio Hondo Community College District is to provide an educational and employment environment free from unwelcome sexual advances, requests for sexual favors, sexual favoritism, or other verbal or physical conduct or communications constituting sexual harassment.

Rio Hondo Community College District is to comply with the accessibility requirements of Section 508 of the Rehabilitation Act of 1973 in the development, procurement, maintenance, or use of electronic or information technology and respond to and resolve unlawful discrimination complaints regarding accessibility. Such complaints will be treated as complaints of discrimination on the basis of disability.

II. District Compliance Officer

The District Compliance Officer serves as the Title IX, ADA, and Section 504 Coordinator. The Compliance Officer is the "responsible District officer" charged with receiving all unlawful discrimination complaints filed pursuant to Title 5, section 59328, and coordinating their investigation. The actual investigation of complaints may be assigned to a third party investigator (outside persons or organizations).
Such delegation procedures will be used whenever the District Compliance Officer is named in the complaint or is implicated by the allegations in the complaint. The District Compliance Officer (or third party investigator) shall disclose any real or perceived conflicts of interest and may be required to delegate the responsibility to another impartial investigator.

III. Filing a Timely Complaint

Since failure to report harassment and discrimination impedes the District's ability to stop the behavior, the District strongly encourages anyone who believes he/she is being harassed or discriminated against to file a complaint. The District also strongly encourages the filing of such complaints as soon as possible following an alleged incident. While all complaints are taken seriously and will be investigated promptly, delay in filing impedes the District's ability to investigate and remediate.

All supervisors and managers have a mandatory duty to report incidents of harassment and discrimination, the existence of a hostile, offensive or intimidating work environment, and acts of retaliation.

IV. Communicating Unwelcome Conduct

The District encourages anyone to the extent they are comfortable doing so, to inform the offending person immediately and firmly when conduct or behavior is unwelcome, offensive, in poor taste and/or inappropriate.

II. Oversight of Complaint Procedure: The Executive Director of Human Resources is the “responsible District officer” charged with receiving complaints of discrimination or harassment, and coordinating their investigation.

The actual investigation of complaints may be assigned by the Executive Director of Human Resources to other staff or to outside persons or organizations under contract with the District. This shall occur whenever the Executive Director of Human Resources is named in the complaint or implicated by the allegations in the complaint. All designated investigators will have appropriate training in civil harassment investigation procedures.

V. Who May File a Complaint

A complaint may be filed by anyone—any student, employee, or third party—who believes he/she has been discriminated against or harassed by a student, employee, or third party in violation of Board Policy 3410, Board Policy 3430, or this procedure and the related policy. In addition, under federal civil rights laws referenced in Section I. (Purpose) complaints of unlawful discrimination or harassment may be filed by parties who have not personally suffered unlawful discrimination or harassment.

VI. Where to File a Complaint
Any student, employee, or third party Anyone who believes he/she has been discriminated against or harassed in violation of Board Policy 3410, Board Policy 3430, or this procedure may make a complaint orally or in writing within one year of the date of the alleged discrimination or harassment, or the date on which the complainant knew or should have known of the facts underlying the complaint. The District Compliance Officer is located in the Office of Human Resources, Room A113 or at (562) 908-3405 Student Services Building, Room SS-204, and can be reached at (562) 908-3498.

Student complainants shall be notified that they may file a discrimination complaint with the U.S. Department of Education, Office for Civil Rights (OCR), 50 United Nations Plaza, Room 1490, Mail Box 1200 San Francisco, CA 94102 (415) 486-5555.

Employee complainants shall be notified that they may file employment discrimination complaints with the U.S. Equal Employment Opportunity Commission (EEOC), Royal Federal Building, 255 East Temple Street, 4th Floor Los Angeles, CA 90012 or the California Department of Fair Employment and Housing (DFEH), 2218 Kausen Drive, Suite 100 Elk Grove, CA 95758.

Complaints filed with the EEOC and/or the DFEH should be forwarded to the California Community College Chancellor's Office by the District.

Any District employee who receives a harassment or discrimination complaint, regardless of whether it is brought by a student or an employee, shall notify the District's Executive Director of Human Resources immediately.

Immediately upon receiving a Formal Complaint, as described above, regardless of whether the complaint is brought by a student or by an employee, the District shall forward a copy of the Formal Complaint to the California Community College Chancellor's Office.

VII. Informal/Formal Complaint Procedure

When a person brings a charge(s) of unlawful discrimination or harassment to the attention of the District's Compliance Officer, that officer will:

1. Upon approval by the parties involved, and when appropriate, undertake efforts to informally resolve the charges;
2. Advise the complainant that he/she need not participate in informal resolution;
3. Notify the person of his or her right to file a formal complaint and explain the procedure for doing so;
4. Assure the complainant that he/she will not be required to confront, or work out problems with the person accused of unlawful discrimination or harassment;
5. Advise the complainant that he/she may file a non-employment based complaint with the Office for Civil Rights of the U.S. Department of Education (OCR) where such a complaint is within that agency's jurisdiction.
6. If the complaint is employment-related, the complainant should also be
advised that he or she may file a complaint with the U.S. Equal Employment Opportunity Commission (EEOC) and/or the Department of Fair Employment and Housing (DFEH) where such a complaint is within that agency's jurisdiction.

(7) Take interim steps to protect a complainant from coming into contact with a respondent, especially if the complainant is a victim of sexual violence. The District Compliance Officer, or designee, should notify the complainant of his or her options to avoid contact with the accused individual and allow students to change academic situations as appropriate. For instance, the District may prohibit the parties from having any contact with one another pending the results of the investigation.

Selecting an informal resolution does not extend the time limitations for filing a formal complaint. Efforts at informal resolution may continue after the filing of a formal written complaint, but after a complaint is filed an investigation is required to be conducted pursuant to Title 5, section 59334, and will be completed unless the matter is informally resolved and the complainant dismisses the complaint in writing. Even if the complainant does dismiss the complaint, the District Compliance Officer may require the investigation to continue if he/she determines that the allegations are serious enough to warrant an investigation. Any efforts at informal resolution after the filing of a written complaint will not exceed the 90-day period for rendering the administrative determination pursuant to Title 5, section 59336.

In employment-related cases, if the complainant also files with the Department of Fair Employment and Housing or with the U.S. Equal Employment Opportunity Commission, a copy of that filing will be sent to the State Chancellor's Office requesting a determination of whether further investigation under Title 5 is required. Unless the State Chancellor's Office determines that a separate investigation is required, the District will discontinue its investigation under Title 5 and the matter will be resolved through the Department of Fair Employment and Housing or the U.S. Equal Employment Opportunity Commission.

The District will allow for representation where required by law or collective bargaining agreement and may allow for representation in other circumstances on a case-by-case basis.

VIII. Filing a Formal Written Complaint

If a complainant decides to file a formal written unlawful discrimination or harassment complaint against the District, he or she should be advised, but not required, to file the complaint on a form prescribed by the Chancellor's Office. The approved form is available from the District Compliance Officer, at the Rio Hondo College Website, and also at the State Chancellor's Office website.

The completed form must be filed with the District Compliance Officer or mailed directly to the State Chancellor's Office of the California Community Colleges.

If a complaint of unlawful discrimination or harassment is presented in another
written format, such as a letter, the District may request that the complainant complete the form. Every effort should be made to have the complaint filed on this form and to obtain the complainant’s signature. However, where a complainant has indicated that he or she wishes to pursue the formal complaint process, a complaint should not be rejected solely based on the failure to file the complaint on this form. If there is a delay in obtaining a completed form, or the complainant refuses to transfer the information or otherwise complete the form but wishes to pursue the formal complaint process, the District will attach the letter to the form and open a formal investigation. While a complaint filed in an improper form is still procedurally defective under Title 5 standards, the merits of the complaint itself may still be valid and must be addressed.

Once a complaint is filed, the individual(s) accused of engaging in unlawful discriminatory or harassing conduct should be advised of that filing and the general nature of the complaint. The District will take appropriate and reasonable action to ensure that the alleged behavior does not continue while the investigation is being conducted. This should occur as soon as possible and in a manner that is appropriate under the circumstances. The District will also advise the responding party that an assessment of the accuracy of the allegations has not yet been made, that the complaint will be investigated, that the responding party will be provided an opportunity to present his/her side of the matter, and that any conduct that could be viewed as retaliatory against the complainant or any witnesses must be avoided.

IX. Threshold Requirements Prior to Investigation of a Formal Complaint

When a formal written complaint is filed it will be reviewed by the District Compliance Officer to determine if the complaint meets the following requirements:

- The complaint must allege unlawful discrimination or harassment prohibited under Title 5, section 59300.

- A complaint under Title 5 must be filed by one who alleges that he or she has personally suffered unlawful discrimination or harassment or by one who has learned of such unlawful discrimination or harassment in his or her official capacity as a College employee.

- In addition, under the federal civil rights laws referenced in Section 1 (Purpose), this procedure also covers complaints of discrimination or harassment filed by someone, such as a representative, a family member, or other third party, on behalf of an individual or group of individuals alleged to have suffered unlawful discrimination or harassment.

---

1 The portions of this procedure that pertain to communication with the State Chancellor’s Office, and the appeal to that Office, do not apply unless the complainant meets the definition of complainant contained in Title 5, section 59328(a).
**DISCRIMINATION AND HARASSMENT COMPLAINTS AND INVESTIGATIONS**

Board Reviewed: 8/14/96; 9/14/09; 3/10/10; 1/14/15

- In any complaint not involving employment, the complaint must be filed within one year of the date of the alleged unlawful discrimination or within one year of the date on which the complainant knew or should have known of the facts underlying the specific incident or incidents of alleged unlawful discrimination or harassment.

- In any complaint alleging unlawful discrimination or harassment in employment, the complaint shall be filed within 180 days of the date the alleged unlawful discrimination or harassment occurred, except that this period will be extended by no more than 90 days following the expiration of that 180 days if the complainant first obtained knowledge of the facts of the alleged violation after the expiration of 180 days.

**X. Advisors**

Each party is allowed an advisor or support person of their choice present with them for all investigative and disciplinary meetings, from intake through final determination. The parties may select whomever they wish to serve as their advisor as long as the advisor is eligible and available, and usually otherwise not involved in the resolution process, such as serving as a witness. The advisor may be a friend, mentor, family member, attorney or any other supporter a party chooses to advise them who is available and eligible. Witnesses cannot also serve as advisors. The parties may choose advisors from inside or outside the campus community. In cases of sexual and domestic violence or harassment the District Compliance Officer will offer a confidential survivor advocate.

Advisors should help their advisees prepare for each meeting, and are expected to advise ethically, with integrity and in good faith. The District cannot guarantee equal advisory rights, meaning that if one party selects an advisor who is an attorney, but the other party does not, or cannot afford an attorney, the District is not obligated to provide one. All advisors are subject to the same campus rules, whether they are attorneys or not. Advisors may not address campus officials in a meeting or interview unless invited to. The advisor may not make a presentation or represent the reporting party or the responding party during any meeting or proceeding and may not speak on behalf of the advisee to the investigators or adjudicators.

Advisors are expected to refrain from interference with the investigation and resolution. Any advisor who steps out of their role will be warned once and only once. If the advisor continues to disrupt or otherwise fails to respect the limits of the advisor role, the advisor will be asked to leave the meeting. When an advisor is removed from a meeting, that meeting will typically continue without the advisor present. Subsequently, the District Compliance Officer will determine whether the advisor may be reinstated, may be replaced by a different advisor, or whether the party will forfeit the right to an advisor for the remainder of the process.
The District expects that the parties will wish to share documentation related to the allegations with their advisors. The District provides a consent form that authorizes such sharing. The parties must complete this form before the District is able to share records with an advisor, though parties may share the information directly with their advisor if they wish. Advisors are expected to maintain the privacy of the records shared with them. These records may not be shared with 3rd parties, disclosed publicly, or used for purposes not explicitly authorized by the District. The District may seek to restrict the role of any advisor who does not respect the sensitive nature of the process or who fails to abide by the District’s privacy expectations.

X. Investigation Process

i. Authorization of an Investigation: The District Compliance Officer, or designee, shall:

- Authorize the investigation of the complaint, and supervise and/or conduct a thorough, prompt and impartial investigation of the complaint, as set forth below. Where complainants opt for informal resolution, the designated officer will determine whether further investigation is necessary to ensure resolution of the matter and utilize the investigation process outlined below as appropriate. In the case of a formal complaint, the investigation will include interviews with the complainant, the responding party, and any other persons who may have relevant knowledge concerning the complaint. This may include victims of similar conduct.
- Review the factual information gathered through the investigation to determine whether the alleged conduct constitutes harassment, or other unlawful discriminatory conduct, giving consideration to all factual information and the totality of the circumstances, including the nature of the verbal, physical, visual or sexual conduct, and the context in which the alleged incidents occurred.

ii. Investigation of the Complaint: The District shall promptly investigate every complaint of harassment or discrimination. No claim of employee or student harassment or discrimination shall remain unexamined. This includes complaints involving activities that occur off campus and in connection with any academic, educational, extracurricular, athletic, or other programs of the District, whether those programs take place at a District facility, in a District vehicle, or at a class, training program or similar event sponsored by the District at another location.

As set forth above, where the complainant opts for an informal resolution, the District Compliance Officer may limit the scope of the investigation, as appropriate. The District will keep the investigation confidential to the extent possible, but cannot guarantee confidentiality because release of some information on a "need-to-know-basis" is essential to a thorough investigation. When determining whether to maintain confidentiality, the District may weigh the request for confidentiality against the following
factors: the seriousness of the alleged harassment; the complainant’s age; whether there have been other harassment complaints about the same individual; and the reporting party’s individual rights to receive information about the allegations if the information is maintained by the District as an “education record” under the Family Educational Rights and Privacy Act (FERPA), 20 U.S. Code Section 1232g; 34 Code Federal Regulations Part 99.15. The District will inform the complainant if it cannot maintain confidentiality.

iii. Investigation Steps: The District will fairly and objectively investigate harassment and discrimination complaints. Employees designated to serve as investigators under this policy shall have adequate training on what constitutes discrimination, including sexual harassment and sexual violence, racial discrimination, disability discrimination and age discrimination and understand how the District’s grievance procedures operate. The investigator may not have any real or perceived conflicts of interest and must be able to investigate the allegations impartially.

Investigators will use the following steps: interviewing the complainant(s); interviewing the responding individual(s); identifying and interviewing witnesses and evidence identified by each party; identifying and interviewing any other witnesses, if needed; reminding all individuals interviewed of the District’s non-retaliation policy; considering whether any involved person should be removed from the campus pending completion of the investigation; reviewing personnel/academic files of all involved parties; reaching a conclusion as to the allegations and any appropriate disciplinary and remedial action; and seeing that all recommended action is carried out in a timely fashion. When the District evaluates the complaint, it shall do so using a preponderance of the evidence standard. Thus, after considering all the evidence it has gathered, the District will decide whether it is more likely than not that discrimination or harassment has occurred.

iv. Timeline for Completion: The District will undertake its investigation as promptly and as swiftly as possible. To that end, the investigator shall complete the above steps, and prepare a written report within 90 days of the District receiving the complaint, unless an extension has been granted. The Executive Director of Human Resources will notify all the parties involved of the District’s determination, in writing, within 10 working days of the determination being made.

Cooperation Encouraged: All students and employees are expected to cooperate with a District investigation into allegations of harassment or discrimination. Lack of cooperation impedes the ability of the District to investigate thoroughly and respond effectively. However, lack of cooperation by a complainant or witnesses does not relieve the District of its obligation to investigate. The District will conduct an investigation if it is discovered that harassment is, or may be occurring, with or without the cooperation of the alleged victim(s) and regardless of whether a complaint is filed. If the complainant refuses to participate in the investigation, the
District should continue to pursue appropriate steps to limit the effects of the alleged harassment and prevent its recurrence.

v. Written Report:

The results of the investigation of a complaint shall be set forth in a written report that will include at least all of the following information:

- A description of the circumstances giving rise to the Formal Complaint;
- A summary of the testimony provided by each witness interviewed by the investigator;
- An analysis of relevant evidence collected during the course of the investigation;
- A specific finding as to whether there is probable cause to believe that discrimination, harassment, or retaliation occurred with respect to each allegation in the complaint; and
- Any other information deemed appropriate by the District.

XI. Defective Complaint

If a complaint is found to be defective, it will be immediately returned to the complainant with a complete explanation of why an investigation will not be initiated under California Code of Regulations, Title 5, section 59300, et seq. The notice will inform the complainant that the complaint does not meet the requirements of section 59328 of Title 5, and shall specify in what requirement the complaint is defective. A copy of the notice to the complainant will also be sent to the State Chancellor’s Office.

XII. Notice to State Chancellor or District

A copy of all formal complaints filed in accordance with the Title 5 regulations will be forwarded to the State Chancellor's Office immediately upon receipt, regardless of whether the complaint is brought by a student or by an employee. Similarly, when the State Chancellor’s Office receives a complaint, a copy will be forwarded to the District immediately.

XIII. Oversight of Complaint Procedure

The Executive Director of Human Resources is the "responsible District officer" charged with receiving complaints of discrimination or harassment, and coordinating their investigation. The actual investigation of complaints may be delegated by the Executive Director of Human Resources to other trained, qualified staff, outside persons or organizations under contract with the District. This must occur whenever the Executive Director of Human Resources is named in the complaint or implicated by the allegations in the complaint.
XIV. Administrative Determination

When the District evaluates the complaint, it shall do so using a preponderance of the evidence standard, meaning more likely than not. Thus, after considering all the evidence it has gathered, the District will decide whether it is more likely than not that discrimination or harassment has occurred.

In any case not involving employment discrimination or harassment, within 90 days of receiving an unlawful discrimination or harassment complaint filed under Title 5, sections 59300, et seq., the District Compliance Officer (or third party investigator) will complete the investigation and forward a copy of the investigative report to the State Chancellor, a copy of the summary of the report to the complainant, and written notice setting forth all the following to both the complainant and the State Chancellor:

(a) the determination of the District Compliance Officer (or third party investigator) as to whether there is probable cause to believe unlawful discrimination or harassment occurred with respect to each allegation in the complaint;
(b) a description of actions taken, if any, to prevent similar problems from occurring in the future;
(c) the proposed resolution of the complaint; and
(d) the complainant's right to appeal to the District's Board of Trustees and, for Title 5 complaints, to the State Chancellor.

In any case involving employment discrimination, within 90 days of receiving an unlawful discrimination or harassment complaint filed under Title 5, sections 59300, et seq., the District Compliance Officer (or third party investigator) will complete the investigation and forward a copy of the summary of the report to the complainant, and written notice setting forth all the following to the complainant:

(a) the determination of the District Compliance Officer (or third party investigator) as to whether there is probable cause to believe discrimination or harassment occurred with respect to each allegation in the complaint;
(b) a description of actions taken, if any, to prevent similar problems from occurring in the future;
(c) the proposed resolution of the complaint; and
(d) the complainant's right to appeal to the District's Board of Trustees and to file a complaint with the Department of Fair Employment and Housing or the U.S. Equal Employment Commission.

The District will keep these documents on file for a period of at least three (3) years.

2 For non-employment complaints filed under the federal civil rights statutes referenced in Section I, a copy of the summary report and written notice shall be forwarded only to the complainant.
after closing the case, and make them available to the State Chancellor upon request.

XV. **Discipline and Corrective Action**

If harassment, discrimination, and/or retaliation occurred in violation of Board Policy 3410, Board Policy 3430, or this procedure, the District shall take disciplinary action against the respondent and any other remedial action it determines to be appropriate. The action will be prompt, effective, and commensurate with the severity of the offense. Remedies for the complainant might include, but are not limited to:

- ensuring that the complainant and alleged perpetrator do not attend the same classes or work in the same work area;
- providing an escort to ensure that the complainant can move safely between classes and activities;
- providing counseling services;
- providing academic support services, such as tutoring;
- arranging for a student-complainant to re-take a course or withdraw from a class without penalty, including ensuring that any changes do not adversely affect the complainant’s academic record;
- reviewing any disciplinary actions taken against the complainant to see if there is a causal connection between the discrimination or harassment and the misconduct that may have resulted in the complainant being disciplined; and
- preventing offending third parties from entering campus.

- circulating memoranda to students and staff about pertinent District policy; and
- other remedies deemed necessary by the District.

If discipline is imposed, the nature of the discipline will generally not be communicated to the complainant. However, the District may disclose information about the sanction imposed on an individual who was found to have engaged in discrimination or harassment when the sanction directly relates to the complainant; for example, the District may inform the complainant that the harasser must stay away from the complainant. A victim of discrimination or harassment who is informed of disciplinary action must keep that information confidential.

Employees, students, or other persons acting on behalf of the District who engage in unlawful discrimination or harassment as defined in this policy or by state or federal law may be subject to discipline, up to and including discharge, expulsion, or termination of contract.

Disciplinary actions against faculty, staff, and students will conform to all relevant statutes, regulations, and personnel policies and procedures, including the provisions of any applicable collective bargaining agreement.

The District shall also take reasonable steps to protect the complainant from further unlawful harassment, and/or discrimination, and to protect the complainant and witnesses from retaliation as a result of communicating the complaint and/or assisting in the investigation. The District will ensure that complainants and witnesses know how
to report any subsequent problems, or any retaliation, or new incidents of discrimination or harassment. The District shall take reasonable steps to ensure the confidentiality of the investigation and to protect the privacy of all parties to the extent possible without impeding the District’s ability to investigate and respond effectively to the complaint.

XVI. Appeal Rights

If the District imposes discipline against a student or employee as a result of the findings in its investigation, the student or employee may appeal the decision using the procedure for appealing a disciplinary decision. Similarly, if the complainant is not satisfied with the process or the results of an administrative decision, he or she may also appeal using the following procedure:

- First level of appeal: The complainant has the right to file an appeal to the District’s Board of Trustees within 15 days from the date of the administrative determination. The Board will review the original complaint, the investigative report, the administrative determination, and the appeal.

- The Board will issue a final District decision in the matter within 45 days after receiving the appeal. Alternatively, the Board may elect to take no action within 45 days, in which case the original decision in the administrative determination will be deemed to be affirmed and shall become the final District decision in the matter. A copy of the final decision rendered by the Board will be forwarded to the complainant and for Title 5 complaints, to the State Chancellor’s Office.

- Second level of appeal: The complainant has the right to file an appeal with the California Community College Chancellor’s Office in any Title 5 case not involving employment-related unlawful discrimination or harassment within 30 days from the date that the Board issues the final District decision or permits the administrative determination to become final by taking no action within 45 days. The appeal must be accompanied by a copy of the decision by the Board or evidence showing the date on which the complainant filed an appeal with the Board, and a statement under penalty of perjury that no response was received from the Board within 45 days from that date. In any case involving employment discrimination or harassment, the complainant has the right to file a complaint with the Department of Fair Employment and Housing (DFEH) where the case is within the jurisdiction of that agency.

XVII. Extensions

If, for reasons beyond its control, the District is unable to comply with the 90-day or
150-day deadlines specified above for submission of materials to the complainant and the State Chancellor’s Office, the District Compliance Officer will file a written request that the State Chancellor grant an extension of the deadline. Where an extension is deemed necessary by the District, it must be requested from the State Chancellor regardless of whether or not the case involves employment discrimination. The request will be submitted no later than 10 days prior to the expiration of the deadlines established by Title 5 in sections 59336 and/or 59340 and will set forth the reasons for the request and the date by which the District expects to be able to submit the required materials.

A copy of the request for an extension will be sent to the complainant, who will be advised that he or she may file written objections with the State Chancellor within five (5) days of receipt.

The State Chancellor may grant the request unless delay would be prejudicial to the investigation. If an extension of the 90-day deadline is granted by the State Chancellor, the 150-day deadline is automatically extended by an equal amount.

XVIII. Confidentiality of the Process

The District will keep the investigation confidential to the extent possible, but cannot guarantee absolute confidentiality because release of some information on a “need-to-know-basis” is essential to a thorough investigation. When determining whether to maintain confidentiality, the District may weigh the request for confidentiality against the following factors: the seriousness of the alleged discrimination or harassment; the complainant’s age; whether there have been other discrimination or harassment complaints about the same individual; and the responding individual’s rights to receive information about the allegations if the information is maintained by the District as an “education record” under the Family Educational Rights and Privacy Act (FERPA), 20 U.S. Code Section 1232g; 34 Code Federal Regulations Part 99.15. The District will inform the complainant if it cannot maintain confidentiality.

If a complainant insists that his or her name not be revealed, the District Compliance Officer (or third party investigator) should take all reasonable steps to investigate and respond to the complaint consistent with the complainant’s request, as long as doing so does not jeopardize the rights of other students or employees.

Complainants, witnesses, and those accused of discrimination or harassment shall be informed of the possibility that they may be charged with allegations of defamation if they circulate the charges outside of the District’s process. Persons who discuss their claims with persons outside of the process may expose themselves to tort charges. Complainants, witnesses, and those accused of discrimination or harassment will be asked to sign a confidentiality acknowledgement statement.

XIX. Retaliation

It is unlawful for anyone to retaliate against someone who files an unlawful discrimination or harassment complaint, who refers a matter for investigation or complaint, who participates in an investigation of a complaint, who represents or
serves as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of the District’s unlawful discrimination and harassment policy.

If an individual believes she/he has been subject to retaliation, the individual may file an additional or amended complaint with the District Compliance Officer. The District Compliance Officer (or third party investigator) shall investigate the claim of retaliation in accordance with these procedures.

If the District Compliance Officer (or third party investigator) determines that the complaint of retaliation is valid, in addition to any other remedies which may be appropriate (such as disciplinary action), the appropriate District administrator/manager shall take all necessary steps to end the retaliatory behavior as quickly as possible and shall provide counseling to the person performing the retaliation in regard to the rights of complainants to be free from retaliation.

XX. Academic Freedom

Rio Hondo Community College District Board of Trustees reaffirms its commitment to academic freedom, as defined in BP 4030, but recognizes that academic freedom does not allow any form of unlawful discrimination. Nothing in these policies and procedures shall be interpreted to prohibit bona fide academic requirements for any specific community college program, course, or activity, including participatory/shared governance and representation of constituents.

When investigating unlawful discrimination or harassment complaints containing issues of academic freedom, the District will consult with a faculty member appointed by the Academic Senate with respect to contemporary practices and standards for course content and delivery.

XXI. Dissemination of Policy and Procedures

All College employees will be provided with a copy of the District’s written policy on unlawful discrimination and harassment at the beginning of the fall semester of each new academic year.

District policy and procedures related to harassment will include information that specifically addresses sexual violence. District Policy and Procedures related to harassment will be made available in the college catalog, emailed to all students and College employees, and will be posted on the District’s Website.

When hired, employees are required to sign that they have received the policy and procedures, and the signed acknowledgment of receipt is placed in each employee’s personnel file.

XXII. Notice, Training, and Education for Students and Employees
Rio Hondo Community College District's Compliance Officer, or designee, shall make arrangements for, or provide training to, employees and students on the District’s unlawful discrimination and harassment policy and procedures.

A workshop or informational session will be made available to all District employees at least once annually. Because of their special responsibilities under the law, supervisors will undergo mandatory training within six (6) months of assuming a supervisory position and every two (2) years thereafter. In years in which a substantive policy or procedural change has occurred, all District employees will attend a training update and/or receive a copy of the revised policies and procedures.

A workshop or informational session will be made available to all students at least once annually. The student workshop or informational session will include an explanation of the policy, how it works, and how to file a complaint. The session will also include information aimed at encouraging students to report incidents of sexual violence to the appropriate District and law enforcement authorities. In addition, a copy of the District's written policy on unlawful discrimination and harassment, as it pertains to students, will be distributed to all students through the student portal at the beginning of each fall semester.

The training and education required by this procedure shall include information and practical guidance regarding the federal and state statutory provisions concerning the prohibition against and the prevention and correction of discrimination and harassment on all bases covered by this procedure, and the remedies available to victims of discrimination and harassment.

The supervisor of any employee who is attacked, assaulted, or menaced shall assist the employee to promptly report the attack or assault to the District Security Office and the Los Angeles County Sheriff’s Department, Pico Rivera Office. The supervisor himself or herself shall make the report if the employee is unable or unwilling to do so. Reporting a complaint to local law enforcement will not relieve the District of its obligation to investigate all complaints of harassment.

III. The District shall publish warnings to the campus community about the following crimes:
   - Criminal homicide – murder and non-negligent manslaughter;
   - Criminal homicide – negligent manslaughter;
   - Sex offenses – forcible and non-forcible sex offenses;

   - Crimes reported to the Los Angeles County Sheriffs Pico Rivera Station; and
   - Crimes that are considered to represent a continuing threat to other students and employees.

IV. In the event that a situation arises on campus or any District property that, in the judgment of the Director of Facilities, constitutes an ongoing or continuing threat, a campus-wide “timely warning” will be issued. The warning will be issued through the college e-mail system to students, faculty, staff, and the campus’ student newspaper. The
information shall be disseminated by the Director of Marketing and Communications in a manner that aids the prevention of similar crimes.

V. Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, the Director of Marketing and Communications may also post a notice on the campus-wide electronic bulletin board and on the Website at: www.riohondo.edu providing the community with more immediate notification. The electronic bulletin board is immediately accessible via computer by all faculty, staff, and students. Anyone with information warranting a timely warning should report the circumstances to Security by phone (562) 463-3490.

VI. The District shall not be required to provide a timely warning with respect to crimes reported to a pastoral or professional counselor.

VII. If there is an immediate threat to the health or safety of students or employees occurring on campus, the District shall follow its emergency notification procedures.

VIII. The District shall annually collect and distribute statistics concerning crimes on District property campus. All college staff with significant responsibility for student and campus activities shall report crimes about which they receive information. Employees who, in good faith, reported such activities and/or assisted the District in the investigation will be protected from retaliation.

IX. The District shall publish an Annual Security Report every year by October 1 that contains statistics regarding crimes committed on campus and at affiliated locations District property for the previous three years. The Annual Security Report shall also include policies pertaining to campus security, alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, victims' assistance program, student discipline, campus resources, and other matters. The District may also disclose to anyone the final results of a disciplinary proceeding in which it concludes that a student violated District policy with respect to a crime of violence or non-forcible sex offense. The District shall not disclose the name of any other student, including a victim or witness, unless the victim or witness has waived his or her right to confidentiality.

XIII. Required Reports to Local Law Enforcement Agency (CCLC)

Any report of willful homicide, forcible rape, robbery, aggravated assault, sexual assault, or hate crime, committed on or off campus on District property, that is received by a campus security authority and made by the victim for the purposes of notifying the District or law enforcement must be immediately, or as soon as practicably possible, disclosed to the local law enforcement agency. The report shall not identify the victim, unless the victim consents to being identified after the victim has been informed of his/her right to have his/her personally identifying information withheld. If the victim does not consent to being identified, the alleged assailant shall not be identified in the information disclosed to the local law enforcement agency unless the institution determines that both of the following apply, in which case the institution shall disclose the identity of the alleged assailant to the local law enforcement agency and notify the victim of the disclosure:

- the alleged assailant represents a serious or ongoing threat to the safety of students, employees, or the institution; and
- the immediate assistance of the local law enforcement agency is necessary to contact or detain the assailant.

Campus Security Act of 1990
For additional information and resources on sexual assault, domestic violence, dating violence, and stalking in the educational/campus environment, the Department of Justice has established a clearinghouse of resources geared towards colleges and universities, which can be accessed at the California Attorney General’s website. (CCLC)

Any sexual assault or physical abuse, including, but not limited to, rape, domestic violence, dating violence, sexual assault, or stalking as defined by California law, whether committed by an employee, student, or member of the public, occurring on District property, in connection with any of the academic, educational, extracurricular, athletic, and other programs of the District, whether those programs take place in the District’s facilities or at another location, or on an off-campus site or facility maintained by the District, or on grounds or facilities maintained by a student organization, is a violation of District policies, and is subject to all applicable punishment, including criminal procedures and employee or student discipline procedures.

“Sexual assault” includes but is not limited to, rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or threat of sexual assault. The following definitions should be applied in the context of this administrative procedure:

- “Dating violence” means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of a romantic or intimate relationship will be determined based on the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

- “Domestic violence” includes felony or misdemeanor crimes of violence committed by:
  - a current or former spouse of the victim;
  - a person with whom the victim shares a child in common;
  - a person who is cohabitating with or has cohabitated with the victim as a spouse;
  - a person similarly situated to a spouse of the victim under California law; or
  - any other person against an adult or youth victim who is protected from that person’s acts under California law.

- “Stalking” means engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others, or to suffer substantial emotional distress.

It is the responsibility of each person involved in sexual activity to ensure that he or she has the affirmative consent of the other or others to engage in the sexual activity. Lack of protest or
resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between them should never by itself be assumed to be an indicator of consent.

“Affirmative consent” means affirmative, conscious, and voluntary agreement to engage in sexual activity. (CCLC)

III. These written procedures and protocols are designed to ensure that victims of domestic violence, dating violence, sexual assault, or stalking receive treatment and information. (For physical assaults/violence, see also AP 3500, 3510, and 3515).

All alleged victims of sexual assault on District property shall be kept informed, through the District Compliance Officer, of any ongoing investigation. Information shall include the status of any student of employee disciplinary proceedings or appeal; alleged victims of domestic violence, dating violence, sexual assault, or stalking are required to maintain any such information in confidence, unless the alleged assailant has waived rights to confidentiality.

SEXUAL AND OTHER ASSAULTS ON CAMPUS

or near the time of the incident, unless the District determines that the violation was egregious, including but not limited to, an action that places the health or safety of any other person at risk or involves plagiarism, cheating, or academic honesty.

X. In the evaluation of complaints in any disciplinary process, it shall not be a valid excuse to alleged lack of affirmative consent that the accused believed that the complainant consented to the sexual activity under either of the following circumstances:

- The accused’s belief in affirmative consent arose from the intoxication or recklessness of the accused;
- The accused did not take reasonable steps, in the circumstances known to the accused at the time, to ascertain whether the complainant affirmatively consented.

XI. In the evaluation of complaints in the disciplinary process, it shall not be a valid excuse that the accused believed that the complainant affirmatively consented to the sexual activity if the accused knew or reasonably should have known that the complainant was unable to consent to the sexual activity under any of the following circumstances.

- The complainant was asleep or unconscious;
- The complainant was incapacitated due to the influence of drugs, alcohol, or medication, so that the complainant could not understand the fact, nature, or extent of the sexual activity.
- The complainant was unable to communicate due to a mental or physical condition. (CCLC)

IX.XII. The District shall maintain the identity of any alleged victim or witness, or third-party reporter of domestic violence, dating violence, sexual assault, or stalking on District property, as defined above, in confidence unless the alleged victim, or witness, or third-party reporter specifically waives that right to confidentiality. All inquiries from reporters or other media representatives about alleged domestic violence, dating violence, sexual assaults, or stalking on District property shall be referred to the District's Director of Marketing and Communications, who shall work with the District Compliance Officer to ensure that all confidentiality rights are maintained.

XIII. Additionally, the Annual Security Report will include a statement regarding the District's programs to prevent sex offenses and procedures that should be followed after a sex offense occurs. The statement must include the following:

- A description of educational programs to promote the awareness of rape, acquaintance rape, and other forcible and non-forcible sex offenses;

  - The accuser and the accused reporting and responding parties are entitled to the same opportunities to have others, one advisor, advocate, or support person present during a disciplinary proceeding; and
  - Both the accuser and the accused reporting and responding parties must be informed of the outcome of any institutional disciplinary proceeding resulting from an alleged sex offense. Compliance with this paragraph does not violate the Family Educational Rights and Privacy Act. For the purposes of this paragraph, the outcome of a disciplinary proceeding means the final determination with respect to the alleged domestic violence, dating violence, sex offense, or stalking and any sanction that is imposed against the accused respondent.

SECURING OF COPYRIGHT

I. It is the responsibility of interested parties to follow the necessary procedures for securing a copyright.

This may include but is not limited to:

- Registering that copyright with the United States Copyright Office.
- Acquiring and paying for necessary rights from third parties (paid by the party seeking the copyright) if the creation of the work and/or securing of the copyright requires such acquisition.

II. After proper acquisition of copyright, all information secured shall be subject to Copyright Law and must be attributed or otherwise subject to prohibition.

I. Introduction

This procedure is not intended to govern administrative or classified copyrights. Those rights for work prepared outside the course and scope of college employment, shall be regulated by Title 17 of the United States Code.

II. Purpose

The District and the RHCFA have a mutual interest in establishing an environment that encourages creativity and innovation of Faculty Members in developing instructional materials and excellence in their field of specialty. To pursue that goal, Article 23: Intellectual Property of the Collective Bargaining Agreement will identify the owners of the copyrights to certain works that may be created by Faculty Members, and to identify the uses that may be made of those works by Faculty Members and the District.

III. Definitions

"Works" means any material that is eligible for copyright protection including (but not limited to) instructional materials in all media forms (e.g., syllabi, lectures, student exercises, computer software, web-based activities, textbooks, study materials, course management tools and tests) books, articles, dramatic and musical compositions, poetry, narratives, analyses (e.g., scientific, logical, opinion or criticism), works of art and design, photographs, films, video and audio recordings, computer software, architectural and engineering drawings, and choreography.

"License means permission to use a work. A "non-exclusive license" is one (1) that gives permission to use a work while that same work may also be used by the party who gave the permission and by others to whom permission is also given.

IV. Ownership of Copyrights

A. Ownership by Faculty Members

1. The Collective Bargaining Agreement ("the CBA") between the Faculty and the District obligates the Faculty Member to teach their assigned courses, and perform other duties, according to the terms set forth in the CBA. The District, however, acknowledges that the terms of the CBA are not intended and shall not be construed to grant any ownership rights to any materials produced by the Faculty in furtherance of these duties; and that the District does not have an interest under The CBA in any copyrights to work created by the Faculty Members in support of or related to their performance of instructional or other duties, including both classroom and distance education.

2. All copyrights to works created by Faculty Members shall be owned by the Faculty Member or Members who created the works, even if those works are created in connection with courses they teach, or other duties they perform as Faculty Members, while they are employed by the District and in connection with their employment, unless the work is created under the exceptional circumstances set forth in Section B 2.a. or 2.b. below.

B. Ownership by the District

1. The District will own the copyright to any work or other materials that is created for the purpose of being a part of (i) the documentation of curriculum of the District, such as a course outline or description; (ii) an information publication or promotional materials of the College, such as catalogs, class schedules, or advertisements; or (iii) an administrative policy of the District.

2. The Faculty and the District foresee a potential mutual interest for the District to provide additional support in the form of extraordinary financial, staff, technical or other resources, or release time, in order to sponsor work to be created by a Faculty Member in addition to his or her obligations under the CBA. In such a case, the District and the Faculty Member enter into an express written agreement regarding the ownership of the copyright of the work. In order that the District acquire any ownership rights to the copyright in said work, the agreement must

- Be made prior to substantial completion of the work;
- Set forth a description of the work to be created and a specific time period in which the work that gives rise to the copyright is to be created;
- Set forth the proportional ownership of the copyright, the terms of use of the work;
- Include an express waiver by the Faculty Member of the rights in the copyright to which the member would otherwise be entitled under this article.

This paragraph shall not be construed to grant the District any copyright in any work absent such an express written agreement. The Faculty Member shall own the rights to any copyright for work related to, but not included in the description in said agreement or primarily created outside the period of time set forth in the agreement.

V. Permitted Uses

A. Use of work when copyright is owned by Faculty Member
B. Uses by Faculty

1. The District acknowledges that Faculty Members may use works whose copyrights they own in any way not in violation of any currently existing District Policy, including, for example, authorizing the for-profit publication of such works in return for royalties paid solely to Faculty Members, without any further authorization from the District. The District may not be required to pay royalties or other fees to any Faculty Member for the use of works, to which the Faculty Member owns the copyright, in the performance of that Faculty Member's obligations under the CBA.

C. Uses by District

1. The District may use works whose registered copyrights are owned by a Faculty Member, with the oral or written consent of that same Faculty Member, in the following ways: (1) to reproduce such works (for example, by photocopying them, by duplicating computer disks on which they have been saved, or by installing them on computer networks); (2) to distribute such works (to students in classes); (3) to perform or display such works (for example, in classroom teaching, by web casting, or by broadcasting). There shall be no restriction on use from unregistered copyrights.

2. The District may not, however, authorize others to use works for which a Faculty Member owns the copyright, unless the District first obtains the written consent of the Faculty Member who owns the work's copyright.

3. Use of work when copyright is owned by District

4. Faculty Members acknowledge that the District may use works whose copyrights the District owns in any and all ways it may wish, including, for example, authorizing the for-profit publication of such works in return for royalties paid solely to the District, subject only to the non-exclusive license of the Faculty Member who created the work to use it (in the manner set forth in paragraph 5.2.b. Section D below), without any further authorization from the Faculty Members who created those works. B. Uses by Faculty Member

D. Uses by Faculty

1. Faculty Members shall have a non-exclusive license to use works they created, whose copyrights are owned by the District with the oral or written consent of the District, in the following ways: (1) to reproduce such works (for example, by photocopying them, by duplicating computer disks on which they have been saved, or by installing them on computer networks); (2) to distribute such works (for example, to students in classes); (3) to perform or display such
works (for example, in classroom teaching, by web casting, or by broadcasting); and (6 4) to create derivative works (for example, companion materials or updated versions). There shall be no restriction on use from unregistered copyrights.

2. Faculty Members may do these things themselves, but may not authorize them to be done by others, unless they first obtain the written consent of the District.

VI. Responsibilities

A. Registration of copyright

1. It shall be the responsibility of the party who owns the copyright, in full or in part, to work to register that copyright with the United States Copyright Office.

2. Acquiring and paying for necessary rights from third parties is the responsibility of the party who owns the copyright.

3. If the creation or use of a work requires rights to be acquired from third parties, such rights shall be acquired and paid for by the party (i.e., the Faculty Member or the District) who owns the copyright to that work or according to the proportionate shares in ownership unless the agreement granting part or all of the copyright states other obligations.

B. Dispute Resolution

1. Disputes between Faculty Members and the District concerning Article shall be resolved pursuant to the grievance procedures, Article 16 of the Collective Bargaining Agreement. (RHC Certificated Bargaining Agreement, Article 23).

ACADEMIC RENEWAL

I. Students may petition to have their academic record reviewed for academic renewal of substandard academic performance under the following conditions: by meeting the academic renewal guidelines.
   - Students must have achieved a grade point average of 2.0 in 30 units and
   - At least two years must have elapsed from the time the course work to be removed was completed. (Approved by Senate)

II. Students may apply for academic renewal multiple times. Up to 30 units of course work, in total, may be eliminated from consideration in the cumulative grade point average.

III. Specific courses and/or categories of courses that are exempt from academic renewal must be described. Academic renewal actions are irreversible. When academic renewal procedures permit previously recorded substandard coursework to be disregarded in the computation of a student’s grade point average, the student’s permanent academic record should contain an accurate record of all coursework to ensure a complete academic history.

IV. Academic renewal procedures may not conflict with the District’s obligation to retain and destroy records or with the instructor’s ability to determine a student’s final grade.

V. Academic Renewal Guidelines (RHC Catalog)

The academic renewal procedure permits the alleviation of a student’s previously recorded substandard academic performance that is not reflective of a student’s present demonstrated ability and level of performance. Academic renewal may gain for students the benefits of their current level of ability and performance and not permanently penalize them for poor performance in the past.

Therefore, within the regulations listed, Rio Hondo College may disregard particular, previously recorded substandard work from a student’s cumulative grade-point average.

1. Students may petition to have their academic record reviewed for academic renewal through the Admissions and Records Office to remove previous substandard work (any course in which a grade below 2.00 has been recorded) taken at Rio Hondo College. The District Superintendent/President, or designee, may grant permission.
2. Up to 30 units may be alleviated.
3. A student’s current demonstrated ability may be the basis for alleviating previous substandard work.
4. From the last substandard work to be alleviated, in order to qualify, the student must meet one of the following criteria:
ACADEMIC RENEWAL

Option I: Earn 30 consecutive units with a minimum of a 2.0 GPA from any accredited college or university, following the completion of the most recent substandard work to be alleviated from any accredited college or university, must average at least a 2.00 GPA in order to qualify, and two years must have elapsed since the most recent work to be alleviated.

Option II: Earn 15 consecutive units with a minimum of a 2.5 GPA from any accredited college or university, following the completion of the most recent substandard work to be alleviated, and one year must have elapsed since the most recent work to be alleviated.

5. Two years must have elapsed since the most recent work to be alleviated.
6-5. The student’s academic record will be appropriately marked indicating those courses that have been alleviated.

VI. When academic work is alleviated, grades are not removed; they are noted and subtracted from the grade point average. All entries remain legible so that a true and complete record is maintained. There is no assurance that alleviated courses will be treated similarly by other educational institutions outside the District.
