EMPLOYMENT AGREEMENT
(Superintendent/President's Contract)

This Agreement is made effective the 10th day of July, 2019, by and between the Governing Board of the Rio Hondo Community College District ("District" or "Board") and Arturo Reyes ("Mr. Reyes" or "Superintendent/President").

1. Position. The Board hereby employs Mr. Reyes as a full-time Superintendent/President, and Chief Executive Officer of the Rio Hondo Community College District, and as the Secretary to the Board. The Superintendent/President is an academic employee as defined by Education Code section 87001(a), an educational administrator as deemed by Education Code section 87002(b), and a management employee as deemed by Government Code section 3540.1(g). This Agreement is entered into pursuant to and subject to Education Code section 72411(d).

2. Term. The District hereby employs the Superintendent/President beginning July 11, 2019 and terminating on June 30, 2022, subject to the terms and conditions set forth below. Effective July 1, 2020, and each July 1 thereafter, the term of this Agreement shall be extended by one (1) year, subject to the Superintendent/President receiving a positive evaluation for the preceding school year. From July 11 through August 4, 2019, inclusive, while the Superintendent/President will be engaged in relocating his family from Northern California, the Superintendent/President shall perform approximately 2-3 days of work per week, at his discretion, for which he shall be compensated on a per diem basis (calculating by dividing the annual salary below by 242). As such, the annual salary, 403(b) contributions, sick leave, and vacation benefits specified below, shall all commence effective August 5, 2019; all other benefits shall commence on July 11, 2019.

A. The Superintendent/President's annual salary shall be Three Hundred and Three Thousand ($303,000) per year beginning August 5, 2019. The Superintendent/President's salary shall be payable in twelve (12) equal monthly installments, prorated for partial years of service.

B. The Board retains the right to increase the Superintendent/President's annual salary during the term of this Agreement. Such increases shall be in the sole discretion of the Board. Any adjustments in salary shall be in the form of an amendment signed by both an authorized representative of the Board and the Superintendent/President. A change in salary shall not constitute the creation of a new contract nor extend the termination date of this Agreement.

C. At a minimum, the Superintendent/President shall be considered for an initial compensation increase effective July 1, 2021, and annually thereafter.

D. During the term of his employment, the Superintendent/President shall receive monthly employer contributions of $416.67 (equal to $5000 on an annualized basis) to his 403(b) account in the District’s 403(b) plan.
E. The District shall, within ten (10) days following execution of this Agreement, and without need for receipts, provide a one-time payment to the Superintendent/President in the amount of Thirteen Thousand Dollars ($13,000) to cover his reasonable expenses incurred in relocating to Los Angeles County (including costs for temporary housing).

4. Benefits. The Superintendent/President shall be eligible to receive District medical, dental, vision, disability, and life insurance benefits for himself and his eligible dependent(s), on the same terms as such benefits are provided to other 12-month certificated management employees of the District, as amended from time to time by the Board. The Superintendent/President shall be entitled, to the extent permitted by the District’s insurance provider, to purchase additional disability and life insurance coverage at his own expense. Full pay sick leave of one (1) day per month may be accumulated from year to year without limit. All benefits are subject to change at the discretion of the Board.

5. Professional Schedule and Vacation. The Superintendent/President shall be required to render twelve (12) months of full and regular service to the District during each complete year covered by this Agreement. The Superintendent/President shall earn and accrue 2,083 days of vacation for each full month of service rendered (equating to 25 days per year). Upon accruing forty-four (44) days of vacation, the Superintendent/President shall cease to accrue vacation until such time as his accrued vacation total is reduced below forty-four (44) days. Prior to any absence of at least two (2) consecutive days from the District, the Superintendent/President shall notify the Board President of the absence, and shall specify the length of the absence, and the administrator(s) in charge. At time of separation, accumulated vacation, if any, will be paid at the current per diem rate of the Superintendent/President’s salary.

6. Management Hours. It is understood that the demands of the position of Superintendent/President will require more than eight (8) hours a day and/or forty (40) hours per workweek. The Superintendent/President is not entitled to receive overtime compensation.

7. Duties and Responsibilities. The Superintendent/President shall be the Chief Executive Officer of the District and the Secretary to the Board of Trustees. He shall have all powers and perform all duties of the position as provided by law, and as reflected in the job description for the Superintendent/President, as amended from time to time by the Board. The Superintendent/President shall use his best efforts and shall devote all time necessary to perform such duties.

A. The Board and Superintendent shall jointly establish goals and objectives for each year of employment. If the Board and Superintendent are unable to jointly establish goals and objectives, the Board shall establish goals and objectives. The goals and objectives so established shall serve as the basis for the Board’s evaluation of the Superintendent/President.

B. The Board shall at least annually evaluate in writing the performance of the Superintendent/President and the working relationship between the Superintendent/President and the Board. The evaluation format shall be jointly established by the Superintendent/President and Board, though if no agreement is reached the Board shall establish the format.
9. **Automobile, Professional Activities and Expense Allowance.**

A. The Superintendent/President is required to possess and maintain an automobile for the performance of his duties.

B. The Superintendent/President may attend professional conferences at District expense inside and outside of California consistent with the established budget of the District, subject to Board approval for out of state travel. The District will provide financial support for the Superintendent/President's professional development and professional activities.

C. The Superintendent/President shall be reimbursed or may use a District credit card in promoting the interests of the District before various government agencies, constituency groups, and the community, and for all necessary and reasonable business expenses incurred on behalf of the District (including travel, dues, memberships, entertainment, and other appropriate expenses related to District business) which are documented and submitted pursuant to the procedures of the Board.

10. **Termination.**

A. **Mutual Consent.** This Agreement may be terminated by the mutual agreement of the parties at any time.

B. **Termination by the Superintendent/President.** The Superintendent/President may terminate this Agreement at any time upon written notice to the Board of Trustees at least ninety (90) calendar days prior to the termination of the Agreement.

C. **Non-renewal of the Agreement by District.** The Board may elect not to renew this Agreement for any reason by providing written notice to the Superintendent/President in accordance with Education Code section 72411 and other applicable law. Failure by the Board to issue a notice of non-renewal shall serve to extend this Agreement for one additional year under the same terms and conditions as are set forth herein. In the event this Agreement is automatically extended for one additional year as provided by this paragraph, any salary increase provided for that year shall not exceed the limit established by Government Code sections 3511.1 and 3511.2.

D. **Termination Without Cause.** Notwithstanding any other provision of law or of this Agreement, the Board may, unilaterally and without cause or a hearing, terminate this Agreement upon giving of thirty (30) days prior written notice. In consideration for exercise of this right, the District shall pay to Superintendent/President, for the remainder of the unexpired term of this contract or for twelve (12) months, whichever is less, a monthly sum equal to the Superintendent/President's gross monthly salary at the salary rate in effect during his last month of service. In addition, the Superintendent/President shall be entitled to receive health and welfare benefits at the District's expense for an amount of time commensurate with the amount of time to which the Superintendent/President is entitled to the above described payment; provided that, if during this period, the Superintendent/President finds other employment which provides health and welfare benefits, the District's obligation to provide health benefits shall cease. The parties agree that this paragraph is to be construed consistent with the requirements of Government Code section 53260 et seq. The parties further agree that this sum constitutes liquidated damages in recognition of the extreme difficulty of determining actual damages to the
Superintendent/President resulting from the contract's termination without cause. These liquidated damages represent the Superintendent/President's sole and exclusive remedy for any and all damages, known or unknown, tort, contract or otherwise, flowing from the termination of Superintendent/President's employment with the District. The parties recognize that upon payment of the liquidated damages sum, the Superintendent/President will be foreclosed from bringing any action or proceeding of any nature against the District.

E. Termination for Cause. The Board may terminate the Superintendent/President's contract at any time for cause. If the Board determines, at its sole discretion, that there is cause to terminate the Superintendent/President's employment with the District, it may do so upon thirty (30) days written notice to the Superintendent/President. The notice shall include a statement of the cause for termination, and shall notify the Superintendent/President that he may respond to the Board, orally or in writing, regarding the causes. Any such response shall be made to the Board not less than five (5), but not more than ten (10) days following the date of the notice. The parties agree that this provision shall constitute the sole due process to which the Superintendent/President is entitled, and that the Board's decision regarding dismissal will be determinative.

F. Abuse of Office. Notwithstanding any other provision of this Agreement, and as mandated by Government Code section 53242 et seq., in the event the Superintendent/President is convicted of a crime constituting "abuse of office," the Superintendent/President shall reimburse the District to the fullest extent mandated by Government Code section 53242 et seq. (i.e. for paid leave time, criminal defense expenditures, or any cash settlement). In the event of such conviction, the District shall make no payments barred by Government Code section 53242 et seq.

11. Venue. This Agreement and the rights and obligations of the parties shall be construed and enforced in accordance with the laws of the State of California. The parties agree that, in the event of litigation, venue shall be the appropriate court located in Los Angeles County, California.

12. Agreement to Mediation. The parties agree that prior to initiation of any litigation over any dispute about matters covered by this Agreement, they will submit to voluntary mediation in accordance with procedures to be mutually agreed upon by them. Nothing herein shall be construed to relieve either party or be deemed to constitute a waiver by either party of their respective rights and obligations under Government Code section 810 et seq.

13. Severability. If any term or provision of this Agreement is, to any extent, held by a court of competent jurisdiction to be invalid, or unenforceable, the remaining terms and provisions of this Agreement shall continue in full force and effect.
