Re: "Permission to Treat a Minor" Form

Rio Hondo Health Center helps keep students physically and emotionally healthy so they can perform at their best. We provide first aid, emergency treatment, medical and psychological services to students enrolled in Rio Hondo College classes.

There is a legal requirement that the Student Health Center has a signed "Permission to Treat a Minor" form from the parent or legal guardian if a student is under 18 years of age. In order to ensure that the signature is valid, the signatory's name, phone number and address is required.

Please sign the attached form. This document should be dropped off at Student Health Center (2<sup>nd</sup> floor, Student Services Building, Room SS-230) or mailed to:

Rio Hondo College
