OSCAR VALLADARES
PRESIDENT

Dear Faculty and Staff,

ROSALVA LOMELI
VICE PRESIDENT

As Río Hondo College continues to mitigate the exposure of COVID-19 in our community, we have determined that it is in the best interest of all to extend online instruction, remote counseling and various student services through May 9, 2020.

VICKY SANTANA
CLERK

The College is operating remotely and only authorized essential personnel should be on campus. We are closely monitoring state and local guidance and will provide you with an update by April 17, 2020 in case we must extend further. I know this transition has been a challenging one for many faculty, staff and students. I am appreciative of your patience and efforts during this time. This information will be posted on the College website and messaged to students directly.
