Earlier today we confirmed that a student had flu-like symptoms after attending an evening class on campus. The student has consulted a medical practitioner and was advised to self-isolate at home. Those known to have come in contact with the student have been appropriately notified. College staff continues to clean and sanitize the campus and in high-traffic areas. Given the fluidity and uncertainty of the evolving situation, these measures are subject to change. We will update you on any changes and continue to post on our website.

Thank you for your understanding and actively engaging in efforts to mitigate the impacts of the Coronavirus by staying home if you are feeling sick, washing your hands frequently for at least 20 seconds, covering your cough, and cleaning all "high-touch" surfaces every day.

Please continue taking care of yourselves, your families and each other.

Appreciatively,

Dr. Arturo Reyes
Superintendent/President
