

## SUPERINTENDENT/PRESIDENT'S OFFICE

---

Dear Campus Community,

April 22, 2020

A Río Hondo College student who may have been on campus is reported to be experiencing flu-like symptoms. If we receive more information, we will send another update. As a precautionary measure, all potential areas that the student may have visited are being cleaned and sanitized.

By sharing this information, we hope this serves as a reminder to continue to follow the guidance from the California Department of Public Health to mitigate the spread of the coronavirus.

If you have any questions or concerns, please send me an email or call my office at 562-908-3403.

Thank you for your understanding and cooperation.

Sincerely,

A handwritten signature in black ink that reads "Arturo Reyes".

**Dr. Arturo Reyes**  
*Superintendent/President*
