

## OFFICE OF HUMAN RESOURCES

---

**DATE:** June 15, 2022

**TO:** All Employees

**FROM:** Tina Kuperman, Vice President of Human Resources

**SUBJECT:** Suspension of COVID-19 Vaccinations Mandate

On June 8, 2022, the Board of Trustees suspended mandating COVID-19 vaccinations for all Rio Hondo College students and employees.

For any employee who is unvaccinated due to an approved deferral for pregnancy reasons, or a religious or medical exemption, are no longer required to test once a week until further notice. However, if you are under a special program that requires the COVID-19 vaccination or weekly testing by the county, and you are not vaccinated, you must continue to take a COVID-19 test at least once a week or as required by the special program.

Outdoor masking is strongly encouraged and indoor masking continues to be mandated.
