## **THE CLERY ACT**

The federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), 20 USC § 1092(f), requires colleges and universities, both public and private, participating in federal student aid programs to disclose campus safety information, and imposes certain basic requirements for handling incidents of sexual violence and emergency situations. Disclosures about crime statistics and summaries of security policies are made once a year in an Annual Security Report (ASR) that is to be published by October 1st of each year.

## **VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT (“VAWA”)**

In addition, Rio Hondo College is responsible for reporting requirements directed by the Violence against Women Reauthorization Act (“VAWA”), which President Obama signed into law on March 7, 2013. This act imposes new obligations (data disclosure) for the College under its Campus Sexual Violence Act (“SaVE Act”) provision, Section 304. Under VAWA, Rio Hondo College addresses and complies with the following requirements:

- Reports domestic violence, dating violence, and stalking, beyond (in addition to) crime categories the Clery Act already mandates;
- Adopts student discipline procedures, such as for notifying purported victims of their rights; and
- Adopts institutional policies to address and prevent campus sexual violence, such as to train in particular respects pertinent institutional personnel.

## **THE ANNUAL DISCLOSURE OF CRIME STATISTICS**

### **PREPARATION OF THE ANNUAL REPORT AND REPORT SOURCES**

Rio Hondo College Facilities Services is responsible for the preparation of this report to comply with the **Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act**. This report is prepared in cooperation with the local law enforcement agencies, reports from Campus Security, and reports from the Dean of Student Affairs for crimes committed on or surrounding the Rio Hondo College campus, the Santa Fe Springs Fire Academy, South Whittier Educational Center, El Monte Educational Center and the Pico Rivera Educational Center. Statistics must be compiled by the College for certain crimes reported by a victim or witness to the campus security or a campus official with significant responsibility for student and campus activities.

This report also includes certain crimes reported to the Los Angeles County Sheriff’s Department or Whittier Police Department as required by the Act. Notice of the availability of this report is made by October 1st of each year with a full text of the report located on the College web site at <http://www.riohondo.edu/facilities/security.htm>. The full text of the report is also posted in the Security Office (A-117).

### **REPORTING OF CRIMINAL OFFENSES**

### **VOLUNTARY CONFIDENTIAL REPORTING**

Prompt, sensitive and confidential service will be provided to all members of the campus community who may require assistance. Due to the nature of their duties, campus security reports significant incidents to the Los Angeles County Sheriff. Anyone desiring to discuss such matters in a less official, confidential setting with Rio Hondo staff may contact the Student Health Center at (562) 908-3438 or the Office of the Dean of Student Affairs at (562) 908-3498.

Rio Hondo Community College District recognizes the responsibility of its staff to report to the appropriate agency when there is a reasonable suspicion that an abuse or neglect of a child may have occurred. ### **SECURITY OF AND ACCESS TO CAMPUS FACILITIES**

During business hours, the District will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours access to all District facilities is by key, if issued, or by admittance via the Campus Security. In the case of periods of extended closing, the District will admit only those with prior written approval to all facilities. Emergencies may necessitate changes or alterations to any posted schedules. Areas that are revealed as problematic will have regular periodic security surveys. The Director of Facilities and others in concerned areas review these results. These surveys examine security issues such as landscaping, locks,

alarms, lighting, and communications. Additionally, during the academic year, the Director of Facilities, Campus Security Officer and Maintenance staff shall meet to discuss campus security and access issues of pressing concern. It should be noted that after the College closes, access is not available until campus opens the following day.

## **LAW ENFORCEMENT AND JURISDICITON POLICY STATEMENT**

Rio Hondo College places a very high priority on the safety of its students, faculty and staff, as well as the safety of visitors to the campus. The goal of the college is to make the campus as safe as possible. In order to achieve this goal, the College maintains a contract security team that patrols the main campus seven days a week, twenty-four hours a day, year-round. Campus security officers are non-sworn, civilian employees U.S. Security Associates, Inc. under contract with the College. I. Campus Security personnel are contracted by Rio Hondo College under the authority of Board Policy 3502, Campus Safety, in order to maintain a “safe and secure” District work and learning environment. They are under the direct supervision of the Director of Facilities.

II. Campus Security personnel are agents of Rio Hondo College, and as such, have delegated responsibilities in their assigned roles.

III. The College has established these guidelines for interacting with Campus Security Personnel in order to provide the optimum opportunity for Campus Safety personnel to operate without interference and in the most effective and efficient manner possible at all times, especially when investigating or assisting with incidents that may occur.

IV. Campus security personnel may and should be appropriately approached when anyone on campus is seeking their direct assistance in a safety related manner.

V. Students and staff are expected to cooperate and advised not to interfere with the work of Campus Security personnel at any time, and especially when they are interacting with individuals who may be involved in an incident that is under investigation.

### **Law Enforcement Relationships and Jurisdiction**

The Los Angeles County Sheriff's Department and Rio Hondo College have an understanding and agreement (MOU) regarding crime reporting and law enforcement responsibilities with respect to crimes committed on Rio Hondo College property. The District, on behalf of each campus or center, has a written agreement with local law enforcement agencies. The agreement clarifies operational responsibilities for investigations of Part I violent crimes, defined by law as willful homicide, forcible rape, robbery, and aggravated assault, occurring at each location.

### **Authority to Arrest and Relationships**

Campus security officers are not police officers and only have a private person's power of arrest. The officers have received the required Bureau of Security and Investigative Services training through U.S. Security Associates, Inc. and possess current guard cards. Once assigned to the Rio Hondo campus, campus security officers are provided training in campus procedures, rules and regulations. That training includes: campus and equipment orientation, response to calls, preliminary criminal investigation and reports, parking enforcement duties, and transportation duties. The officers have been given the authority by Rio Hondo College to issue citations for violations of campus parking regulations.

### **Accurate and Prompt Reporting**

Security officers have the authority to ask persons for identification and to determine whether individuals have lawful business at the District. Criminal incidents are referred to the local law enforcement officers who have jurisdiction on the campus. The District maintains a highly professional working relationship with the Los Angeles County Sheriffs Department, Pico Rivera Station. All crime victims and witnesses are strongly encouraged to immediately report the crime to campus Security Services Office and the appropriate police agency. Prompt reporting will assure timely warning notices on-campus and timely disclosure of crime statistics.

### **Confidential Reporting - Pastoral and Professional Counselors**

The Rio Hondo Community College District encourages accurate and prompt reporting of all crimes establish procedures that encourage pastoral counselors and professional counselors, if and when they deem it appropriate, to inform the persons they are counseling of any procedures to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics

## **MONITORING AND RECORDING OF CRIMINAL ACTIVITY**

### **TIMELY WARNINGS**

In the event that a situation arises, either on or off campus, that in the opinion of campus security constitutes an ongoing or continuing threat, a campus-wide “timely warning” will be issued. The warning will be issued through the notification system Blackboard Connect (cell phone call and text), College e-mail postings, electronic billboard, and provided on the College website, www.riohondo.edu. Anyone with information warranting a timely warning should report the circumstances to the campus security at extension 3490, or in person at the campus security office located on the ground floor of the east end of the Administration Building Room A-117.

## **EMERGENCY NOTIFICATION**

### **Significant Emergency**

For emergencies that are urgent health and safety concerns, Campus Security contacts 911 and then notifies the President’s office, Director of Facilities, and Manager of Operations. Director of Facilities and Manager of Operations direct the Campus Security who then coordinates with first responders.

Emergencies that impact the entire campus, such as power failure, are reported immediately to campus security and to the emergency operations team. The Director of Facilities takes on the role of the Incident Commander (IC) and gives directions to the emergency operations team, staff members (Building Emergency Coordinators & Building Emergency Leaders (BEC & BEL), and Campus Security personnel. Each group has specific duties during an emergency, but looks to the IC for direction. The College President or designee is updated regularly during an event and decisions that impact the College operations such as College closure are decided by the President or designee. **The IC, under direction of the President, directs the notification process to the College community through mass notification systems (text, email, phone) software; Blackboard Connect.**

### **Dangerous Situation**

Staff or faculty report perceived dangerous situations to Campus Security who respond immediately. Using two-way radios, Security notifies the Manager of Operations and Director of Facilities for response and on-the-go briefing of the concern. The Director and Manager assess the situation and determine the level of concern or threat and notify the College President and respective Division Dean who in turn notified key staff in the Division/building. If the situation represents an immediate threat to health and safety, Campus Security is directed to contact law enforcement. If the situation is controlled by the presence of Campus Security, then any individual is escorted by Security to the Director of Student Affairs for discipline.

### **Notification to College Community**

**Local Concern:** The Director of Facilities, Operations Manager and Campus Security quickly evaluate any given local situation or threat, and the Director has the authority to notify the Division Dean and building staff of any concern regarding a local threat. The College President or designee is immediately briefed and will further direct the Director.

**Campus-Wide Concern:** The Director of Facilities, Operations Manager and Campus Security quickly evaluate any given situation or threat that may have an impact campus-wide. The Director immediately briefs the College President or designee and provides recommendations. **Any campus-wide notification or communication is approved by the President or designee**

**and is accomplished with the Blackboard Connect software assessable from any internet connected device and the mass communication notification will be communicated via text, email, and phone.**

**Mass Communication:**

The Blackboard Connect mass communication notification software is utilized during emergency preparedness drills, training, and during actual emergencies. The software sends text, email and phone notifications to all listed individuals (students, faculty, and staff) at one time. Currently, the College has over 18,000 contacts on the system for notification. The College administration had developed templates for a variety of emergency messages which are stored in the Blackboard Connect software. The templates facilitate prompt and accurate communication. Templates can be modified quickly to customize a message for any given incident. Multiple individuals on campus are trained on Blackboard Connect emergency notification software, but only the College President or designee may direct sending a mass communication message.

**EMERGENCY DRILLS, TESTING & EVALUATION PROCEDURES**

The College conducts annual, scheduled emergency preparedness drills, once each Semester. Day and evening drills are alternated each Semester. The Safety Committee reviews the schedule for the drills, emergency preparedness training dates, and Notices and makes the recommendation to the Planning and Fiscal Council (PFC), who approves the schedules. The drills are conducted by the Director of Facilities who acts as emergency operations commander during the scheduled drills and actual events. Local first responders and community neighbors are notified prior to any emergency preparedness drill.

Emergency Preparedness training occurs once each semester prior to the scheduled drill, and acts as a refresher for employees and training for new staff and faculty.

Prior to the actual drill, local first responder agencies are invited to attend, participate or observe the drills, and the representatives offer de-brief observations, commendations, or recommendations. The President’s office invites the College community to provide input after each drill and this information is reviewed in the President’s Cabinet meeting and any recommendations that may improve the drill or emergency preparedness plan are considered.

Any violation of the Student Code of Conduct at a College recognized activity may be subject to disciplinary action. Rio Hondo does not provide security services to off-campus College recognized activities. Criminal activity at off-campus locations would be monitored by the respective law enforcement agency.

## **SECURITY/SAFETY AWARENESS AND PREVENTION PROGRAMS**

Rio Hondo College is committed to provide programs to educate both students and staff on sexual assault and self-defense, as well as to address potential alcohol and drug abuse.

## **ALCOHOL AND DRUG ENFORCEMENT POLICIES**

Rio Hondo College prohibits possession and/or consumption of any alcoholic beverage while on College property. The possession of empty alcoholic beverage containers, even as mementos or decoration, is also prohibited. The College holds those present and/or sponsoring organizations accountable for disorderly behavior. Any student under the influence of alcohol on College property or under College jurisdiction will be held accountable for his/her actions. All students present in rooms where alcohol is being possessed or consumed will be held accountable, regardless if they have or have not been drinking.

Unlawful possession, use, sale, offer to sell, or furnishing, or being under the influence of, any controlled substance listed in California Health and Safety Code Section 11053 et seq., an alcoholic beverage, or an intoxicant of any kind; or unlawful possession of, or offering, arranging or negotiating the sale of any drug paraphernalia, as defined in California Health and Safety Code Section 11014.5.

The use or possession of any illegal drugs, including marijuana, on campus is expressly forbidden. Violation of either the alcohol or drug policy may result in one or more of the following sanctions:

- Referral to off-campus treatment services or alcohol/drug education meetings.
- Suspension or dismissal from Rio Hondo College.
- Possibility of criminal sanctions by law enforcement agencies.

Rio Hondo College BP 3550

*I. The District shall be free from all drugs and from the unlawful possession, use or distribution of illicit drugs and alcohol by students and employees.*

*II. The unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in all facilities under the control and use of the District.*

*III. Any student or employee who violates this policy will be subject to disciplinary action (consistent with local, state, or federal law), which may include referral to an appropriate rehabilitation program, suspension, demotion, expulsion or dismissal.*

The possession, sale or the furnishing of alcohol on campus is governed by California state law and these procedures. The possession, sale, consumption or furnishing of alcohol is controlled by the California Department of Alcohol and Beverage Control. However, the enforcement of alcohol laws on-campus is the primary responsibility of the Campus Security. The campus has been designated “Drug free” and only under certain circumstances is the consumption of alcohol permitted. The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Such laws are strictly enforced by the Campus Security. Violators are subject to disciplinary action, criminal prosecution, fine and imprisonment. It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone under 21 years of age in a public place or a place open to the public is illegal. It is also a violation of this policy for anyone to consume or possess alcohol in any public or private area of campus without prior District approval. Organizations or groups violating alcohol or substance policies or laws may be subject to sanctions by the District.
