SMALLER CLASSES, SAFER SCHOOLS AND FINANCIAL ACCOUNTABILITY ACT

#### SECTION ONE. TITLE

This act shall be known as the Smaller Classes. Safer Schools and Financial Accountability Act

#### SECTION TWO, FINDINGS AND DECLARATIONS

The people of the State of California find and declare as follows:

- (a) Investing in education is crucial if we are to prepare our children for the 21st Century.
- (b) We need to make sure our children have access to the learning tools of the 21st Century like computers and the Internet, but most California classrooms do not have access to these technologies
- (c) We need to build new classrooms to facilitate class size reduction, so our children can learn basic skills like reading and mathematics in an environment that ensures that California's commitment to class size reduction does not become an empty promise
- (d) We need to repair and rebuild our dilapidated schools to ensure that our children learn in a safe and secure environment.
- (e) Students in public charter schools should be entitled to reasonable access to a safe and secure learning environment.
- (f) We need to give local citizens and local parents the ability to build those classrooms by a 55 percent vote in local elections so each community can decide what is best for its children.
- (g) We need to ensure accountability so that funds are spent prudently and only as directed

by citizens of the community

#### SECTION THREE PURPOSE AND INTENT

In order to prepare our children for the 21st Century, to implement class size reduction, to ensure that our children learn in a secure and safe environment, and to ensure that school districts are accountable for prudent and responsible spending for school facilities, the people of the State of California do hereby enact the Smaller Classes, Safer Schools and Financial Accountability Act. This measure is intended to accomplish its purposes by amending the California Constitution and the California Education Code:

- (a) To provide an exception to the limitation on ad valorem property taxes and the two-thirds vote requirement to allow school districts, community college districts, and county offices of education to equip our schools for the 21st Century, to provide our children with smaller classes, and to ensure our children's safety by repairing, building, furnishing and equipping school facilities;
- (b) To require school district boards, community college boards, and county offices of education to evaluate safety, class size reduction, and information technology needs in developing a list of specific projects to present to the voters;
- (c) To ensure that before they vote, voters will be given a list of specific projects their bond money will be used for;
- (d) To require an annual, independent financial audit of the proceeds from the sale of the school facilities bonds until all of the proceeds have been expended for the specified school facilities projects; and
- (e) To ensure that the proceeds from the sale of school facilities bonds are used for specified school facilities projects only, and not for teacher and administrator salaries and other school operating expenses, by requiring an annual, independent performance audit to ensure that the funds have been expended on specific projects only

#### SECTION FOUR

Section 1 of Article XIII A of the California Constitution is amended to read:

- SEC. 1. (a) The maximum amount of any ad valorem tax on real property shall not exceed One percent (1%) of the full cash value of such property. The one percent (1%) tax to be collected by the counties and apportioned according to law to the districts within the counties.
- (b) The limitation provided for in subdivision (a) shall not apply to ad valorem taxes or special assessments to pay the interest and redemption charges on (1) any indebtedness of the following:

This paragraph shall apply only if the proposition approved by the voters and resulting in the bonded indebtedness includes all of the following accountability requirements:
- (A) A requirement that the proceeds from the sale of the bonds be used only for the purposes specified in Article XIII A Section I(b)(3) and not for any other purpose, including teacher and administrator salaries and other school operating expenses
- (B) A list of the specific school facilities projects to be funded and certification that the school district board community college board or county office of education has evaluated safety, class size reduction, and information technology needs in developing that list.
- (C) A requirement that the school district board community college board, or county office of education conduct an annual, independent performance audit to ensure that the funds have been expended only on the specific projects listed.

#### SECTION SIX

Section 47614 of the Education Code is amended to read: 47614. The charter school shall not be otherwise charged for use of the facilities. No school district shall be required to use unrestricted general fund revenues to rent, buy, or lease facilities for charter school students.
- (2) Each year each charter school desiring facilities from a school district in which it is operating shall provide the school district with a reasonable projection of the charter school's average daily classroom attendance by in-district students for the following year. The district shall allocate facilities to the charter school for that following year based upon this projection. If the charter school, during that following year, generates less average

daily classroom attendance by in-district students than it projected, the charter school shall reimburse the district for the over-allocated space at rates to be set by the State Board of Education.

- (3) Each school district's responsibilities under this section shall take effect three years from the effective date of the measure which added this subparagraph, or if the school district passes a school bond measure prior to that time on the first day of July next following such passage.

AMENDED IN SENATE JUNE 20, 2000
AMENDED IN ASSEMBLY MAY 16, 2000

INTRODUCED BY Assembly Member Lempert (Coauthor: Senator O'Connell)

#### FEBRUARY 11, 2000

An act to amend Sections 15102, 15106, 35233, and 72533 of, and to add Chapter 1.5 (commencing with Section 15264) to Part 10 of, the Education Code, relating to school bonds.

#### LEGISLATIVE COUNSEL'S DIGEST

AB 1908, Lempert. School bonds.

Existing law authorizes the governing board of any school district or community college to order an election and submit to the electors of the district the question of whether the bonds of the district shall be issued and sold to raise money for specified purposes. Existing law generally requires 2/3 of the votes cast on the proposition of issuing bonds to be in favor of issuing the bonds to pass the measure.

This bill would provide that, contingent upon the passage of the "Smaller Classes, Safer Schools and Financial Accountability Act" at the November 7, 2000, general election, as an alternative, the governing board of a school district or community college district, may, pursuant to a 2/3 vote of the governing board, pursue the authorization and issuance of bonds by a 55% vote of the electorate, at a primary or general election, a regularly scheduled local election, or a statewide special election, subject to certain additional requirements.

The bill would require the ballot to be printed with a statement that the governing board will appoint a citizens' oversight committee and conduct annual independent audits to assure that funds are spent only on school and classroom improvements and for no other purposes.

The bill would require that after a successful election, the board appoint an independent citizens' oversight committee, as specified. The bill would state that the purpose of the citizens' oversight committee is to inform the public concerning the expenditure of bond revenues

The bill would authorize, as specified, an action to be maintained to restrain and prevent expenditures of bond funds under certain circumstances.

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. Section 15102 of the Education Code is amended to read:

- 15102. The total amount of bonds issued pursuant to this chapter and Chapter 1.5 (commencing with Section 15264) shall not exceed 1.25 percent of the taxable property of the district as shown by the last equalized assessment of the county or counties in which the district is located. For purposes of this section, the taxable property of a district for any fiscal year shall be calculated to include, but not be limited to, the assessed value of all unitary and operating nonunitary property of the district, which shall be derived by dividing the gross assessed value of the unitary and operating nonunitary property within the district for the 1987-88 fiscal year by the gross assessed value of all unitary and operating nonunitary property within the county in which the district is located for the 1987-88 fiscal year, and multiplying that result by the gross assessed value of all unitary and operating nonunitary property of the county on the last equalized assessment roll.
- SEC. 2. Section 15106 of the Education Code is amended to read: 15106. Any unified school district or community college district may issue bonds that, in aggregation with bonds issued pursuant to Section 15270, may not exceed 2.5 percent of the taxable property of the district as shown by the last equalized assessment of the county or counties in which the district is located.

In computing the outstanding bonded indebtedness of any unified school district or community college district for all purposes of this section, any outstanding bonds shall be deemed to have been issued for elementary school purposes, high school purposes, and community college purposes, respectively, in the respective amounts that the proceeds of the sale of those outstanding bonds, excluding any premium and accrued interest received on that sale, were or have been allocated by the governing board of the unified school district or community college district to each of those purposes respectively.

- (a) For the purposes of the State School Building Aid Law of 1952 (Chapter 6 (commencing with Section 16000) of Part 10) with respect to applications for apportionments and apportionments filed or made prior to September 15, 1961, and to the repayment thereof, Chapter 6 (commencing with Section 15700) of this part, inclusive, only, any unified school district shall be considered to have a bonding capacity in the amount permitted by law for an elementary school district and a bonding capacity in the amount permitted by law for a high school district.
- (b) For purposes of this section, the taxable property of a district for any fiscal year shall be calculated to include, but not be limited to, the assessed value of all unitary and operating nonunitary property of the district, which shall be derived by dividing the gross assessed value of the unitary and operating nonunitary property within the district for the 1987-88 fiscal year by the gross assessed value of all unitary and operating nonunitary property within the county in which the district is located for the 1987-88 fiscal year, and multiplying the result by the gross assessed value of all unitary and operating nonunitary property of the county on the last equalized assessment roll. In the event of the unification of two or more school districts or community college districts subsequent to the 1987-88 fiscal year, the assessed value of all unitary and operating nonunitary property of the unified district or community college district shall be deemed to be the total of the assessed value of the taxable property of each of the unifying districts as that assessed value would be determined under Section 15102.
  - SEC. 3. Chapter 1.5 (commencing with Section 15264) is added to

Part 10 of the Education Code, to read:

The tax rate levied to meet the requirements of Section 18 of Article XVI of the California Constitution in the case of indebtedness incurred pursuant to this chapter at a single election, by a community college district, shall not exceed twenty-five dollars (\$25) per one hundred thousand dollars (\$100,000) of taxable property.
- (c) In computing the outstanding bonded indebtedness of any unified school district or community college district for all purposes of this section, any outstanding bonds shall be deemed to have been issued for elementary school purposes, high school purposes, and community college purposes, respectively, in the respective amounts that the proceeds of the sale of those outstanding bonds, excluding any premium and accrued interest received on that sale, were or have been allocated by the governing board of the unified school district or community college district to each of those purposes respectively.
- (d) For purposes of this section, the taxable property of a district for any fiscal year shall be calculated to include, but not be limited to, the assessed value of all unitary and operating nonunitary property of the district, which shall be derived by dividing the gross assessed value of the unitary and operating nonunitary property within the district for the 1987-88 fiscal year by the gross assessed value of all unitary and operating nonunitary property within the county in which the district is located for the 1987-88 fiscal year, and multiplying the result by the gross assessed value of all unitary and operating nonunitary property of the county on the last equalized assessment roll. In the event of the unification of two or more school districts subsequent to the 1987-88 fiscal year, the assessed value of all unitary and operating nonunitary property of the unified district shall be deemed to be the total of the assessed value of the taxable property of each of the unifying districts as that assessed value would be determined under Section 15268.
- 15272. In addition to the ballot requirements of Section 15122 and the ballot provisions of this code applicable to governing board member elections, for bond measures pursuant to this chapter, the ballot shall also be printed with a statement that the board will appoint a citizens' oversight committee and conduct annual independent audits to assure that funds are spent only on school and classroom improvements and for no other purposes.
  - 15274. If it appears from the certificate of election results

that 55 percent of the votes cast on the proposition of issuing bonds pursuant to subdivision (b) of Section 18 of Article XVI of the California Constitution are in favor of issuing bonds, the governing board shall cause an entry of that fact to be made upon its minutes. The governing board shall then certify to the board of supervisors of the county whose superintendent of schools has jurisdiction over the district, all proceedings had in the premises. The county superintendent of schools shall send a copy of the certificate of election results to the board of supervisors of the county.

15276. Notwithstanding any other provision of law, a county board of education may not order an election to determine whether bonds may be issued under this article to raise funds for a county office of education.

CALIFORNIA CODES GOVERNMENT CODE SECTION 54950-54963

54950. In enacting this chapter, the Legislature finds and declares that the public commissions, boards and councils and the other public agencies in this State exist to aid in the conduct of the people's business. It is the intent of the law that their actions be taken openly and that their deliberations be conducted openly.

The people of this State do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.

54950.5. This chapter shall be known as the Ralph M. Brown Act.

54951. As used in this chapter, "local agency" means a county, city, whether general law or chartered, city and county, town, school district, municipal corporation, district, political subdivision, or any board, commission or agency thereof, or other local public agency.

- 54952. As used in this chapter, "legislative body" means:
- (a) The governing body of a local agency or any other local body created by state or federal statute.
- (b) A commission, committee, board, or other body of a local agency, whether permanent or temporary, decisionmaking or advisory, created by charter, ordinance, resolution, or formal action of a legislative body. However, advisory committees, composed solely of the members of the legislative body that are less than a quorum of the legislative body are not legislative bodies, except that standing committees of a legislative body, irrespective of their composition, which have a continuing subject matter jurisdiction, or a meeting schedule fixed by charter, ordinance, resolution, or formal action of a legislative body are legislative bodies for purposes of this chapter.
- (c) (1) A board, commission, committee, or other multimember body that governs a private corporation, limited liability company, or other entity that either:
- (A) Is created by the elected legislative body in order to exercise authority that may lawfully be delegated by the elected governing body to a private corporation, limited liability company, or other entity.
- (B) Receives funds from a local agency and the membership of whose governing body includes a member of the legislative body of the local agency appointed to that governing body as a full voting member by the legislative body of the local agency.
- (2) Notwithstanding subparagraph (B) of paragraph (1), no board, commission, committee, or other multimember body that governs a

private corporation, limited liability company, or other entity that receives funds from a local agency and, as of February 9, 1996, has a member of the legislative body of the local agency as a full voting member of the governing body of that private corporation, limited liability company, or other entity shall be relieved from the public meeting requirements of this chapter by virtue of a change in status of the full voting member to a nonvoting member.

- (d) The lessee of any hospital the whole or part of which is first leased pursuant to subdivision (p) of Section 32121 of the Health and Safety Code after January 1, 1994, where the lessee exercises any material authority of a legislative body of a local agency delegated to it by that legislative body whether the lessee is organized and operated by the local agency or by a delegated authority.
- 54952.1. Any person elected to serve as a member of a legislative body who has not yet assumed the duties of office shall conform his or her conduct to the requirements of this chapter and shall be treated for purposes of enforcement of this chapter as if he or she has already assumed office.
- 54952.2. (a) As used in this chapter, "meeting" includes any congregation of a majority of the members of a legislative body at the same time and place to hear, discuss, or deliberate upon any item that is within the subject matter jurisdiction of the legislative body or the local agency to which it pertains.
- (b) Except as authorized pursuant to Section 54953, any use of direct communication, personal intermediaries, or technological devices that is employed by a majority of the members of the legislative body to develop a collective concurrence as to action to be taken on an item by the members of the legislative body is prohibited.
- (c) Nothing in this section shall impose the requirements of this chapter upon any of the following:
- (1) Individual contacts or conversations between a member of a legislative body and any other person.
- (2) The attendance of a majority of the members of a legislative body at a conference or similar gathering open to the public that involves a discussion of issues of general interest to the public or to public agencies of the type represented by the legislative body, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled program, business of a specified nature that is within the subject matter jurisdiction of the local agency. Nothing in this paragraph is intended to allow members of the public free admission to a conference or similar gathering at which the organizers have required other participants or registrants to pay fees or charges as a condition of attendance.
- (3) The attendance of a majority of the members of a legislative body at an open and publicized meeting organized to address a topic of local community concern by a person or organization other than the local agency, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled program, business of a specific nature that is within the subject matter jurisdiction of the legislative body of the local agency.
- (4) The attendance of a majority of the members of a legislative body at an open and noticed meeting of another body of the local agency, or at an open and noticed meeting of a legislative body of

another local agency, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled meeting, business of a specific nature that is within the subject matter jurisdiction of the legislative body of the local agency.

- (5) The attendance of a majority of the members of a legislative body at a purely social or ceremonial occasion, provided that a majority of the members do not discuss among themselves business of a specific nature that is within the subject matter jurisdiction of the legislative body of the local agency.
- (6) The attendance of a majority of the members of a legislative body at an open and noticed meeting of a standing committee of that body, provided that the members of the legislative body who are not members of the standing committee attend only as observers.
- 54952.6. As used in this chapter, "action taken" means a collective decision made by a majority of the members of a legislative body, a collective commitment or promise by a majority of the members of a legislative body to make a positive or a negative decision, or an actual vote by a majority of the members of a legislative body when sitting as a body or entity, upon a motion, proposal, resolution, order or ordinance.
- 54952.7. A legislative body of a local agency may require that a copy of this chapter be given to each member of the legislative body and any person elected to serve as a member of the legislative body who has not assumed the duties of office. An elected legislative body of a local agency may require that a copy of this chapter be given to each member of each legislative body all or a majority of whose members are appointed by or under the authority of the elected legislative body.
- 54953. (a) All meetings of the legislative body of a local agency shall be open and public, and all persons shall be permitted to attend any meeting of the legislative body of a local agency, except as otherwise provided in this chapter.
- (b) (1) Notwithstanding any other provision of law, the legislative body of a local agency may use teleconferencing for the benefit of the public and the legislative body of a local agency in connection with any meeting or proceeding authorized by law. The teleconferenced meeting or proceeding shall comply with all requirements of this chapter and all otherwise applicable provisions of law relating to a specific type of meeting or proceeding.
- (2) Teleconferencing, as authorized by this section, may be used for all purposes in connection with any meeting within the subject matter jurisdiction of the legislative body. All votes taken during a teleconferenced meeting shall be by rollcall.
- (3) If the legislative body of a local agency elects to use teleconferencing, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the legislative body of a local agency. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. During the teleconference, at

least a quorum of the members of the legislative body shall participate from locations within the boundaries of the territory over which the local agency exercises jurisdiction. The agenda shall provide an opportunity for members of the public to address the legislative body directly pursuant to Section 54954.3 at each teleconference location.

- (4) For the purposes of this section, "teleconference" means a meeting of a legislative body, the members of which are in different locations, connected by electronic means, through either audio or video, or both. Nothing in this section shall prohibit a local agency from providing the public with additional teleconference locations.
- (c) No legislative body shall take action by secret ballot, whether preliminary or final.
- 54953.1. The provisions of this chapter shall not be construed to prohibit the members of the legislative body of a local agency from giving testimony in private before a grand jury, either as individuals or as a body.
- 54953.2. All meetings of a legislative body of a local agency that are open and public shall meet the protections and prohibitions contained in Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof.
- 54953.3. A member of the public shall not be required, as a condition to attendance at a meeting of a legislative body of a local agency, to register his or her name, to provide other information, to complete a questionnaire, or otherwise to fulfill any condition precedent to his or her attendance.
- If an attendance list, register, questionnaire, or other similar document is posted at or near the entrance to the room where the meeting is to be held, or is circulated to the persons present during the meeting, it shall state clearly that the signing, registering, or completion of the document is voluntary, and that all persons may attend the meeting regardless of whether a person signs, registers, or completes the document.
- 54953.5. (a) Any person attending an open and public meeting of a legislative body of a local agency shall have the right to record the proceedings with an audio or video tape recorder or a still or motion picture camera in the absence of a reasonable finding by the legislative body of the local agency that the recording cannot continue without noise, illumination, or obstruction of view that constitutes, or would constitute, a persistent disruption of the proceedings
- (b) Any tape or film record of an open and public meeting made for whatever purpose by or at the direction of the local agency shall be subject to inspection pursuant to the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), but, notwithstanding Section 34090, may be erased or destroyed 30 days after the taping or recording. Any inspection of a video or

tape recording shall be provided without charge on a video or tape player made available by the local agency.

- 54953.6. No legislative body of a local agency shall prohibit or otherwise restrict the broadcast of its open and public meetings in the absence of a reasonable finding that the broadcast cannot be accomplished without noise, illumination, or obstruction of view that would constitute a persistent disruption of the proceedings.
- 54953.7. Notwithstanding any other provision of law, legislative bodies of local agencies may impose requirements upon themselves which allow greater access to their meetings than prescribed by the minimal standards set forth in this chapter. In addition thereto, an elected legislative body of a local agency may impose such requirements on those appointed legislative bodies of the local agency of which all or a majority of the members are appointed by or under the authority of the elected legislative body.
- 54954. (a) Each legislative body of a local agency, except for advisory committees or standing committees, shall provide, by ordinance, resolution, bylaws, or by whatever other rule is required for the conduct of business by that body, the time and place for holding regular meetings. Meetings of advisory committees or standing committees, for which an agenda is posted at least 72 hours in advance of the meeting pursuant to subdivision (a) of Section 54954.2, shall be considered for purposes of this chapter as regular meetings of the legislative body.
- (b) Regular and special meetings of the legislative body shall be held within the boundaries of the territory over which the local agency exercises jurisdiction, except to do any of the following:
- (1) Comply with state or federal law or court order, or attend a judicial or administrative proceeding to which the local agency is a party.
- (2) Inspect real or personal property which cannot be conveniently brought within the boundaries of the territory over which the local agency exercises jurisdiction provided that the topic of the meeting is limited to items directly related to the real or personal property.
- (3) Participate in meetings or discussions of multiagency significance that are outside the boundaries of a local agency's jurisdiction. However, any meeting or discussion held pursuant to this subdivision shall take place within the jurisdiction of one of the participating local agencies and be noticed by all participating agencies as provided for in this chapter.
- (4) Meet in the closest meeting facility if the local agency has no meeting facility within the boundaries of the territory over which the local agency exercises jurisdiction, or at the principal office of the local agency if that office is located outside the territory over which the agency exercises jurisdiction.
- (5) Meet outside their immediate jurisdiction with elected or appointed officials of the United States or the State of California when a local meeting would be impractical, solely to discuss a legislative or regulatory issue affecting the local agency and over

which the federal or state officials have jurisdiction

- (6) Meet outside their immediate jurisdiction if the meeting takes place in or nearby a facility owned by the agency, provided that the topic of the meeting is limited to items directly related to the facility.
- (7) Visit the office of the local agency's legal counsel for a closed session on pending litigation held pursuant to Section 54956.9, when to do so would reduce legal fees or costs.
- (c) Meetings of the governing board of a school district shall be held within the district except under the circumstances enumerated in subdivision (b), or to do any of the following:
- (1) Attend a conference on nonadversarial collective bargaining techniques
- (2) Interview members of the public residing in another district with reference to the trustees' potential employment of the superintendent of that district.
  - (3) Interview a potential employee from another district.
- (d) Meetings of a joint powers authority shall occur within the territory of at least one of its member agencies, or as provided in subdivision (b). However, a joint powers authority which has members throughout the state may meet at any facility in the state which complies with the requirements of Section 54961.
- (e) If, by reason of fire, flood, earthquake, or other emergency, it shall be unsafe to meet in the place designated, the meetings shall be held for the duration of the emergency at the place designated by the presiding officer of the legislative body or his or her designee in a notice to the local media that have requested notice pursuant to Section 54956, by the most rapid means of communication available at the time.
- 54954.1. Any person may request that a copy of the agenda, or a copy of all the documents constituting the agenda packet, of any meeting of a legislative body be mailed to that person. If requested, the agenda and documents in the agenda packet shall be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof Upon receipt of the written request, the legislative body or its designee shall cause the requested materials to be mailed at the time the agenda is posted pursuant to Section 54954.2 and 54956 or upon distribution to all, or a majority of all, of the members of a legislative body, whichever occurs first. Any request for mailed copies of agendas or agenda packets shall be valid for the calendar year in which it is filed, and must be renewed following January 1 of each year. The legislative body may establish a fee for mailing the agenda or agenda packet, which fee shall not exceed the cost of providing the service. Failure of the requesting person to receive the agenda or agenda packet pursuant to this section shall not constitute grounds for invalidation of the actions of the legislative body taken at the meeting for which the agenda or agenda packet was not received.
- 54954.2. (a) At least 72 hours before a regular meeting, the legislative body of the local agency, or its designee, shall post an agenda containing a brief general description of each item of

business to be transacted or discussed at the meeting, including items to be discussed in closed session. A brief general description of an item generally need not exceed 20 words. The agenda shall specify the time and location of the regular meeting and shall be posted in a location that is freely accessible to members of the public. If requested, the agenda shall be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof. The agenda shall include information regarding how, to whom, and when a request for disability-related modification or accommodation, including auxiliary aids or services may be made by a person with a disability who requires a modification or accommodation in order to participate in the public meeting.

No action or discussion shall be undertaken on any item not appearing on the posted agenda, except that members of a legislative body or its staff may briefly respond to statements made or questions posed by persons exercising their public testimony rights under Section 54954.3. In addition, on their own initiative or in response to questions posed by the public, a member of a legislative body or its staff may ask a question for clarification, make a brief announcement, or make a brief report on his or her own activities. Furthermore, a member of a legislative body, or the body itself, subject to rules or procedures of the legislative body, may provide a reference to staff or other resources for factual information, request staff to report back to the body at a subsequent meeting concerning any matter, or take action to direct staff to place a matter of business on a future agenda.

- (b) Notwithstanding subdivision (a), the legislative body may take action on items of business not appearing on the posted agenda under any of the conditions stated below. Prior to discussing any item pursuant to this subdivision, the legislative body shall publicly identify the item
- (1) Upon a determination by a majority vote of the legislative body that an emergency situation exists, as defined in Section 54956.5.
- (2) Upon a determination by a two-thirds vote of the members of the legislative body present at the meeting, or, if less than two-thirds of the members are present, a unanimous vote of those members present, that there is a need to take immediate action and that the need for action came to the attention of the local agency subsequent to the agenda being posted as specified in subdivision (a).
- (3) The item was posted pursuant to subdivision (a) for a prior meeting of the legislative body occurring not more than five calendar days prior to the date action is taken on the item, and at the prior meeting the item was continued to the meeting at which action is being taken.
- 54954.3. (a) Every agenda for regular meetings shall provide an opportunity for members of the public to directly address the legislative body on any item of interest to the public, before or during the legislative body's consideration of the item, that is within the subject matter jurisdiction of the legislative body, provided that no action shall be taken on any item not appearing on the agenda unless the action is otherwise authorized by subdivision (b) of Section 54954.2. However, the agenda need not provide an

opportunity for members of the public to address the legislative body on any item that has already been considered by a committee, composed exclusively of members of the legislative body, at a public meeting wherein all interested members of the public were afforded the opportunity to address the committee on the item, before or during the committee's consideration of the item, unless the item has been substantially changed since the committee heard the item, as determined by the legislative body. Every notice for a special meeting shall provide an opportunity for members of the public to directly address the legislative body concerning any item that has been described in the notice for the meeting before or during consideration of that item.

- (b) The legislative body of a local agency may adopt reasonable regulations to ensure that the intent of subdivision (a) is carried out, including, but not limited to, regulations limiting the total amount of time allocated for public testimony on particular issues and for each individual speaker.
- (c) The legislative body of a local agency shall not prohibit public criticism of the policies, procedures, programs, or services of the agency, or of the acts or omissions of the legislative body. Nothing in this subdivision shall confer any privilege or protection for expression beyond that otherwise provided by law.
- 54954.4. (a) The Legislature hereby finds and declares that Section 12 of Chapter 641 of the Statutes of 1986, authorizing reimbursement to local agencies and school districts for costs mandated by the state pursuant to that act, shall be interpreted strictly. The intent of the Legislature is to provide reimbursement for only those costs which are clearly and unequivocally incurred as the direct and necessary result of compliance with Chapter 641 of the Statutes of 1986.
- (b) In this regard, the Legislature directs all state employees and officials involved in reviewing or authorizing claims for reimbursement, or otherwise participating in the reimbursement process, to rigorously review each claim and authorize only those claims, or parts thereof, which represent costs which are clearly and unequivocally incurred as the direct and necessary result of compliance with Chapter 641 of the Statutes of 1986 and for which complete documentation exists. For purposes of Section 54954.2, costs eligible for reimbursement shall only include the actual cost to post a single agenda for any one meeting.
- (c) The Legislature hereby finds and declares that complete, faithful, and uninterrupted compliance with the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5 of the Government Code) is a matter of overriding public importance. - (2) As a condition to holding a closed session on specific complaints or charges brought against an employee by another person or employee, the employee shall be given written notice of his or her right to have the complaints or charges heard in an open session rather than a closed session, which notice shall be delivered to the employee personally or by mail at least 24 hours before the time for holding the session.
