

**RÍO HONDO
COLLEGE**

LEMELSON-MIT
Celebrating invention, inspiring youth

CUMBRES and Student Support Services present

The Invention Sprint Experience: A hands-on workshop

based on Lemelson-MIT's nationally recognized invention education curriculum

**December 02 & 04
El Monte Education Center**

Explore how inventions are born, who creates them, and how they shape our communities. You'll brainstorm, build, and pitch your own prototype while gaining entrepreneurial skills to fuel your future.

Open to high school students, limit 25 participants per day

Register for a workshop!
