## Program Change: Electronic Digital Instrument

### Description

---

Division Arts & Cultural Programs

Award Type Associate of Science Degree

#### Description

The Electronic Digital Instrument Associate of Science Degree announces the EDI as the primary instrument of technical study in this purely digital 21st-century program. Students receive technical, musical, and practical training, including collaborative opportunities and live recording experience on an Electronic Digital Instrument in innovative musical situations. This groundbreaking workforce program trains students for work in the music industry by focusing exclusively on the intersection between electronic digital instruments and electronic pop music styles.

To acquire the Associate of Science in Electronic Digital Instrument, students must complete the required major courses below with a grade of "C" or better or of "P" if the course was taken on a Pass/No Pass basis, along with either of the following: Rio Hondo College General Education (RHC GE) or California General Education Transfer Curriculum (Cal-GETC). California State University General Education-Breadth (CSU GE) or Intersegmental General Education Transfer Curriculum (IGETC) may be used in some cases; please see a counselor for details.

# NEW TRANSFER DEGREE

## Global Studies

### Description

Division Behavioral and Social Sciences

Award Type Associate in Arts for Transfer

Description

The **Associate in Arts in Global Studies for Transfer (AA-T)** degree provides students with a multidisciplinary foundation for understanding global issues, systems, and cultures. This program is designed to prepare students for upper-division coursework in global studies or related fields such as international relations, political science, environmental studies, and economics at a California State University (CSU).

The Global Studies AA-T equips students with the analytical tools to assess the political, social, economic, and environmental challenges facing the world today. Emphasis is placed on the study of globalization, international conflicts, human rights, environmental sustainability, global health, economic development, and the role of international organizations.

**In addition to the courses listed below, the following requirements must be met for completion of the Associate in Arts in Global Studies for Transfer Degree:**

1. Completion of 60 CSU-transferable semester units.
2. Achievement of a minimum GPA of at least 2.0 in all CSU-transferable coursework. (Some majors may require a higher GPA; please see a counselor for details.)
3. Completion of each major course with a grade of "C" or better or a "P" if the course was taken on a Pass/No Pass basis and the "P" is equal to a "C" or better.
4. Completion of the California General Education Transfer Curriculum (Cal-GETC). The California State University General Education-Breadth (CSU GE) or Intersegmental General Education Transfer Curriculum (IGETC) may be used in some cases; please see a counselor for details.
