

Information & Application Process

Before returning this petition, it is important to read the following information and requirements below.

General Information

1. Río Hondo College provides mathematics courses for high school students wishing to complete a year of mathematics during the summer.
2. Record of math academy course(s) will not appear on the Río Hondo student's credit transcript. Students who drop the class will not receive a passing grade from Río Hondo. Río Hondo will only provide a Pass or No Pass on noncredit transcripts. El Monte Union High School District (EMUHSD) will only accept a "C" as a passing grade during the summer.
3. Attendance on the first day of class is mandatory. Students with excess absenteeism will not earn a passing grade. It is the students' responsibility to know the attendance standards. Students with 3 or more absences will be dropped from the class. Students not attending class meetings may lose their seat to another student.
4. Students are expected to participate in all course activities, including field trips, if applicable.
5. Homework, classwork, group assignments and class presentations will be expected. These activities will be required of all students. After-school tutoring for additional support is strongly encouraged.
6. Students must abide by the Student Code of Conduct, including the electronic device and dress code policy. Students who violate these policies will be subject to the Student Disciplinary Policy and may be removed from the program. All disciplinary incidents become part of the student's permanent records / history.

Application Process

Step 1 – Complete this Form

Complete the front of this form with your information. Obtain your parent/guardian signature and return it to Río Hondo College Continuing Education, room 901 at **9426 Marjorie Street, Pico Rivera, CA 90660** or to your Counselor's Office or email it to continuingeducation@riohondo.edu . You will receive an email from the Math Academy administration informing you of your enrollment status and class information before the first day of class.

Step 2 – Attend Classes After Enrollment Verification

- Make every effort to attend all your classes during the summer.
- Notify your instructor if you are unable to attend class and make the necessary arrangements to make up missed work.

FERPA

Río Hondo College and El Monte Union High School District jointly work together to provide students with a safe learning environment during the summer. Both districts will share student data and academic grades/records for classes in accordance with the Family Educational Privacy Rights Act (FERPA), Education Code Sections 76200-76246 and regulations at 34 CFR Part 99. If you need to know more regarding the sharing of information, please contact Río Hondo College at (562)222-1482.
