California State University General Education (CSU GE)

Intersegmental General Education Transfer Curriculum (IGETC) for **UC or CSU** (circle one)

California General Education Transfer Curriculum (Cal-GETC)

The Language Other than English (LOTE-foreign language) requirement is for the UC system only; if this was completed in high school, your official high school transcript must be on file with RHC Admissions & Records (A&R). LOTE is required for IGETC for UC but optional for Cal-GETC.

OFFICIAL TRANSCRIPTS MUST BE ON FILE IN A&R for courses being used toward certification.

Transcripts must be sent directly from the other institutions attended. Walk in transcripts are NOT accepted. Certification will not be completed if official transcripts needed are not on file.

Advanced Placement (AP) credits: If you are using AP to satisfy an area, an official transcript/score report of AP results must be on file with RHC A&R. You can request an official transcript/score report from College Board.

Basic Training from military service (if using it for Area E on the CSU GE): A copy of your DD214 must be on file with RHC A&R. Visit the Veteran's Office for more information.

***Please note:** If you would like to have your Official Transcripts mailed to the University along with this Certification, you must attach a Transcript Request Form.
