We have received the results of your 2020-2021 Free Application for Federal Student Aid (FAFSA). However, there is conflicting information regarding your high school diploma status. The Rio Hondo College Admissions and Records Office information on file states you don't have a high school diploma, but on your FAFSA you indicated that you have one.

Students who do not have a high school diploma or equivalent are only eligible for the California College Promise Grant. To update your high school diploma status with the Rio Hondo College Admissions & Records Office submit "Official Transcripts" from your institution to RHC Admissions & Records Office. Walk-in transcripts will NOT be accepted. Official transcripts must be on file before Admissions & Records can complete this form. Once your record is updated, complete this form and submit it to the Rio Hondo College Admissions and Records for signature and return to the Office of Financial Aid.

1. Have you received your high school diploma (U.S or Foreign)?

- Yes. Official transcripts must be on file with Admissions & Records. Submit this form to the Rio Hondo College Admissions & Records to update your high school status. Once this form is completed and signed by the Admissions & Record Office, sign and date the form below and submit to the Office of Financial Aid.
- No. I understand I may only be eligible for CCPG (California Promise Grant)
